With all the new spiritual movements place, one recently surfaced and fully caught my attention. It is a new religion for the endowed ladies. Hmmmmm! Religion is called Adonitology, named after the man who calls himself the Prophet Adonis. He claims that on January 3, 1996, he was visited by an angel, the Holy Spirit (who is profiled at the bottom of the big sigh diet) and Christ to create a religion for women with curves and to write a Holy Book for them, which is called the Book of Adonai. (The book is now available for sale on Amazon, if you’re interested, for) Download the 8 minute interview with the Prophet HERE And now he did it again, commissioning twerk glory dance as one of the official dances of worship during the service at the Church of Adonitology. According to him, dance glory Twerk is a stress reliever for women with curvy bottoms. Twerk glory dance is an act of twerking to spiritual/positive music.
