Each social connection persona 4 Golden includes a choice, but sun arcana s-link includes a choice right at the top of two characters: Yumi Ozawa of the drama club or Ayane Matsunaga of the Music Club. Whichever character you choose, each character has its own story and its own conversation selection for each s-link rank, and we've received every response to quickly raise your rank to 10. If you need more help with the golden s-links of Dedikai Persona 4, check out our full P4G Social Link guide, which will help you with similar help for all characters in the game. Persona 4 Golden Sun Social Link GuideMuch, such as Fellow Athletes (Strength) s-link, sun social link Yumi Ozawa or Ayane Matsunaga is a branching choice where you can get acquainted with one of the two characters, both with different conversation choices. This site is divided into two parts because of that half, which is the Yumi social relationship and half of which is the Ayane social relationship. The guide still features all the social relationship ranks and conversation choices, presented as spoiler-free ways as possible, and also details how and when you can enter into a romantic lovers relationship between the two - or, in fact, avoid it. The numbers in addition to each choice detail how many points you get towards ranking up the social link to the answer based on the amount you get if you have a Sun arcana Persona in your current stock, which will get you a points bonus. The points earned will be slightly less without it. Joining the club is easy. After April 19, go down to the Faculty Office on the first floor of the Classroom building and talk to your home room teacher after school. There is also a sports club and a cultural club. Sports clubs include basketball and football. To get to sports clubs, leave the faculty office to your left and go through the emergency exit. Clubs meet on Tuesdays, Thursdays and Saturdays. But they don't see each other on rainy days. Both basketball and soccer clubs are opening the Strength Arcana Social Link. While the Basketball Club takes less time, the Soccer Club does not require any specific Rank to acquire three miss-able books. These books count towards the Compulsive Reader trophy. Cultural clubs include the Drama Club or the Orchestra. Both are located on the lower floor of the training building. Mondays, Tuesdays and meet, even more It's raining. In the seats, you can talk to Yumi in the middle of the second floor of the classroom, right in the middle of the stairs. Both drama and band clubs will open the Sun Arcana Social Link: choosing Drama will give you access to Yumi Ozawa, while the chosen Band will have Ayane Matsunaga as its representative.
