## Sonic games unlocked

All classic sonic Hedgehog games are available to play online in this myEmulator section. Sonic, a blue hedgehog, is a character created by Sega in the 1990s as the official mascot to compete with Mario. He has starred in countless names of various genres: platform, car racing, sports, puzzles, etc. The main enemy in these fun games is Dr. Robotnik, an evil robot scientist who wants to conquer the world. However, you can count on the help of Tails, a good fox that has 2 tails and can slide. Explore new worlds and travel through action and adventure-charged levels, overcome obstacles, get power rings and have fun with friends. These colorful games are packed with challenges that you will have to overcome at full speed, rolling on the ground and even flying. All Sega consoles have Sonic games in their catalogs: Sega Genesis, Master System, Game Gear, Dreamcast, Sega Saturn... Have fun with our collection of Sonic games unlocked! All of them are free and can be played online on MyEmulator.online. What are we waiting for? Confirm your email to ensure sharing. Having trouble? x We are experiencing interruptions in the delivery of e-mail. If you don't get emails from us, please try after 8am EST. x Sonic Revert unlocked online game dedicated to racing the famous super jerky Sonic. The essence of the game is to run forward, collect rings, jump through the pits and avoid collision. The difficulty is that Sonic runs constantly and can not stop, and therefore prepares to jump over the abyss necessary in advance and right on the move. In addition, from time to time increases the speed at which the super race takes place, and at the levels on them sing such pits that it is impossible to jump without a special disposable jump amplifier.
