All products that are eligible for delivery the next day are clearly advertised as available for delivery the next day on our product description page. The next day, delivery is only available at delivery addresses within zone 1 and 2 and is not available in any other zone. To qualify for the next-day delivery in an affordable delivery delivery orders must be placed by 2 p.m. Monday through Thursday. Orders placed on Friday until 2 p.m. will be delivered next Monday. Orders placed after 2 p.m. from Friday to Monday until 2 p.m. will be delivered the following Tuesday. At check-up time, all products in your shopping cart should be eligible for delivery the next day; it is clearly advertised on our cash register page. You should also choose a delivery method like Next Day Delivery, rather than our Standard Shipping, the surcharge will apply to this service. Our courier company offers a full-time delivery service. So your belongings will be delivered to you between the hours of 8am and 8pm. The courier often cannot give an exact time interval. You can track your parcel online by following the details in your email tracking or text. You will receive this data from the courier as soon as your item has been shipped from us, from here you will be able to find out your parcels exact location. 98% of parcels processed for delivery the next day arrive the next day. However, we cannot guarantee 100% next day delivery on all our parcels, as we rely heavily on our couriers to meet your request. If your order does not arrive the next day, please contact our customer service team where they will investigate your order and look to reimburse you for the next day delivery surcharge if applicable. We strongly advise you not to book contractors until you have a full receipt of all your items in good condition. For more information about shipping, please click on the link below. Taps UK offers more than 10,000 online products for delivery throughout the United Kingdom. A large selection of popular items are in stock at our distribution warehouse in Bromsgrove, Worcestershire. In addition, a large selection of goods is kept by the manufacturer or designated distribution company, which distributes products on behalf of manufacturers. On each product description page, you'll find the following key information, which is below. This will help you understand the availability of the product for each item. The StockProducts Mapping Stock are physically in stock at our distribution warehouse in Bromsgrove, Worcestershire. These products are ready for immediate delivery the next day or are available for clicks and fees. The StockedProducts supplier displaying the Warehouse Supplier are in the manufacturer's warehouse or designated distribution company. The goods are delivered directly to you, or delivered to Taps UK and delivered to you. The estimated time of lead delivery advertised is the timeline we aim to deliver your goods inside. Details will be tracked by email or to keep you informed, so please make sure you provide us with an updated mobile phone number and a valid email address when placing an order. If the item is not in stock for any reason, we will notify you of the intended delivery date. Polite Notification - All delivery dates are given as an assessment. We strongly recommend that you do not book any merchants or carry out preparatory work until your order has arrived and has been verified made to order Products with a display made to order, usually not stocked by Taps UK or manufacturer. It is usually specially made for order by the manufacturer as soon as your order has been placed. For some products, this is excluded from our guarantee of back money. To deliver lead times, please email our customer support team who will check the production lead time and provide you with a written lead delivery time. An item from StockProducts display item from the stock is being sold out and is currently unavailable for purchase. Products with a confirmed new inventory arrival date will be advertised with the expected date of arrival of new stocks. For customers who want to pre-order an item for immediate delivery after the stock has been delivered to us, you can do so by contacting our customer service team. Alternatively, you can leave your email by clicking the Email button on me when I'm back in stock; then once the item comes back into stock, we will email you. Buying online can have its own advantages, such as competitive prices, a wider range of products, but with all the research you can do for the product you are considering to purchase, there is always an unexpected mistake or the product just doesn't meet your expectations. Don't worry, because on UK taps, you have 365 days to think about it with the option of a refund within 30 days or return for a loan note after 30 days, it has never been easier to take your time. All unused items are covered by a 30-day refund guarantee or a 365-day refund guarantee. Products returned within 30 days of delivery will be issued with a full refund, for less than any special shipping costs associated with your initial delivery. Products are returned within 365 days of delivery, but within 30 days of delivery will attract a top-up charge of 25%, and it will be deducted when the credit note is issued. The loan note is valid for 12 months and can be repaid for all products or services provided by Taps UK. To qualify for our 30-day refundable or 365 day warranty returns, all you have to do is follow our 3 simple steps below. 1. Contact our customer service for the right time Delivery by sending your refund request through our online support service with the following information: Name Email address Contact phone invoice/sales order number Product details the return Reason item for request for refund 2. Print and complete return forms with your unique return reference number provided by our customer service to recognize your yours 3. Pack your items securely, including the return form inside, and return them to the address provided by our customer service. Polite Notice - We do not cover the cost of postage refunds. The goods must be returned in the original packaging under the terms of sale. Refunds and credit notes are issued within 14 days of return.
