The revised program is available on the university's official website. The official website of the university. About the University of OsmaniaOsmania University is named after its founder, Nawab Osman Ali Khan, the seventh Nizam hyderabad, who rather through the Farman or Royal Charter, led the university to existence in 1918. It is the seventh oldest in the country and the third oldest in southern India. Although the need for the University of Hyderabad was felt by both intellectuals and the people for a long time, the initiative came from civil servant Sir Akbar Haidari, who at the time was Minister of the Interior in the state government.Sir Gidari, in a memorandum to the Minister of Education in early 1917, stressed the need to establish the University of Hyderabad with Urdu as the environment of education for India, the official language of the state, and this language that is understood by the vast majority of the state's population. He believed that higher education should have its foundations deep in the national consciousness.
