The 4K UHD camera can shoot visible and live image quality. The HS720E brings creators a better sense of sight effect, everyone can record their bright moments. Say goodbye to an unstable videoThe camera features an EIS system that can instantly compensate for the makeover when it detects the degree of camera shaking and removes wave distortion. Get stable and smooth video just flying easily. Larger image, Larger creationThe HS720E has 4K pixels capturing consistent details and color as an original landscape sample. Both photos and videos you take are lighter than ever, resulting in larger image sizes, and post-editing creation is freer. With 5G streaming, the beautiful view can be displayed on the APP in real time. The beautiful scenery up to 500 meters away is in your hands. A dedicated remote control provides flight distance up to 999 metres. Follow the MeLet drone follow in its footsteps just tap follow me mode in APP, it is very suitable for running or cycling. TapFlyHS720E can automatically fly on the predefined route without just tap some dots on the map, or draw a shape. Point of InterestingFor surrounds filming like a movie, just set the radius and the drone will automatically complete the circle flight. Come home Whenever you want, the drone can come back to your side Key Back home. For safety reasons, when in a low-power or lost remote control signal, it can also return automatically. Headless modeDon don't worry about how to judge the direction, under headless mode, no matter where your nose faces, always defaulting to the front of the drone when it takes off. Speed Switch You can change 3 speeds to low-medium-high, speed is up to you. Professional design and FabricsFolding and portable design has metallurgical gear shaft, high precision steel body, even after thousands of folding, still present almost perfect user experience. The military-grade battery is the same quality as the tank's backup battery, safe and durable, and lasts for a long time. HS720E(HS105) Drone with 4K SPECS Camera Element Weight: 608g (FAA Required)Dimension: 8.66*8.66*6.10in (Unscreened guards)Flight time: 22MinsCharging Time: 5-7HoursCamera: 2048* 1152p/2kLive Video Transmission Range: 1300ftMax Control Range: 3280ftBattery Capacity: 2800 mAhMotor: 2204 1500KV Engine without combs HS720E (HS105) Drone with 4K camera in box 1 * Drone (with Manual)1*Transmitter (with carriers)1*Drone Battery/USB Charging Cable/ Dual Balance Charger8* Propellers (with Helix Spanner)2* Landing Gear1 * ScrewdriverTransmitter is below the packet. Be careful when removing the package from the box. The smartphone screen did not include HS720E (HS105) Drone with 4K Camera DOWNLOAD HS720E (HS105) Drone with 4K camera FAQs with GPS Follow Me,Point of Interest,TapFly, the aircraft can fire stable aerial shots. A person can complete creative cinema. With the transport box, It is much more convenient to carry during the trip. Travel.
