2020 bo bichette rookie card

Buy professionally rated Bo Bichette Rookie Cards on eBayBo Bichette makes himself at home in the Major League. As the shortstop for the Toronto Blue Jays, he has been claiming franchise records since being called up for the big show in late July of 2019. After expressing frustration over his time in the minors, the sudden trade of Eric Sogard opened up a coveted spot in the action-packed infield position. Bichette singled in his first big league at-bat and has become one of only three MLB players to make nine extra-base hits at such an early point in his career. Bichette joins an impressive company with Carlos Delgado as the only Blue Jay to hit three home runs in their first eight career games. With (currently) 15 hits since his debut, his rookie year is off to a better start than any other player in Bluebird history. The 21-year-old is set to be a huge factor in a Blue Jay franchise that is in the process of rebuilding. Bichette's memorable debut in the league makes his rookie cards a safe investment and a highly sought-after commodity.
