Technical Support Information (800) 323-9239 7am-10pm, Mon-Fri CST Web Support: www.techsupport.hmhp.com eMail: techsupport@hmhp.com (no reviews yet) Write upc review: 97805444247963 Availability: Normally ships in 2-3 business days Method: UPS Ground Description Delivery GO Math! offers an engaging and interactive approach to covering common core government standards. Our GO Mathematics! The student edition is recorded at each level of the class, so students write down their strategies, explanations, decisions, practices and preparation for tests right in their books. Rating: 7 Type of Material: Student Materials Format: Softcover, 864 Pages National/State: California Copyright Year: 2015 FREE GROUND FOR ALL FREE \$49 or more! Most goods ship within 1-3 business days. Delivery is available in all 50 states. The products are supplied by either UPS Ground or USPS Media Mail. Each product mentioned how the goods were shipped. For orders less than \$49, there is a fixed shipping fee of only \$4.95. Returns policy You can return most new, unopened items within 30 days of delivery for return. We will also pay the cost of return delivery if the refund is the result of our error (you received the wrong or defective item, etc.). A \$4.95 fee will be deducted for orders that have received free shipping. ELECTRONIC MEDIA (CDS, DVDS, CASSETTES, CD-ROMS, VIDEOS, E-BOOKS, COMPUTER SOFTWARE AND PRODUCTS WITH AN INTERNET COMPONENT) CANNOT BE RETURNED OR RETURNED. A restocking fee of up to 20% can be deducted for items returned in the open (not in the original tapering wrapper). REFUNDS FOR THE REFUND WILL NOT BE PRE-APPROVED. If you need to return an item, just to avoid logging into your account, review the order here full orders in my account menu and click the Return Item button. We will notify you by email of your refund after we have received and processed the returned item. You should expect to receive a refund within 1-2 weeks of providing your package for the return of the shipper, however, in many cases you will get a refund faster. This time period includes transit time for us to get your refund from the shipper (5 to 10 business days), the time it takes us to process your return as soon as we receive it (2 to 3 business days), and the time it takes for your bank to process our return request (3 to 10 business days). Customers who create accounts are automatically registered in our Customer Loyalty Program. If you haven't created an account, you can join the program by creating an account after the first purchase is completed. 1 point for every \$1 spent in our store after you signed up for our program. 50 points for each review you send to your purchased items. It applies 10 rewards per person for a calendar month. It's an easy way to earn up to \$25 in rewards each month! 100 points for each new customer who submits the order. \$5 s s First order! Like us on Facebook: easy 20 points! Share with us on Facebook: another simple 20 points! It's fast! It's easy! It's FREE! HOW TO EARN POINTS? Shopping: You will earn 1 point for every \$1 spent in our store after you have signed up for our program. Product Reviews: Get 50 points for each review you send to purchased items. It applies 10 rewards per person for a calendar month. Referrals: Reference clients - you will get 100 points for each new customer who submits the order. \$5 from their first order! Like us on Facebook: Get a light 20 points when you like our Facebook page. Share with us on Facebook: Get 20 points when you share our store on Facebook. The Go Math program aligns each lesson with common core standards. Students write in a book to write down their strategies, explanations, decisions, practices, and test preparatory responses. The online edition of Write-in includes everything you need to address the harsh new standards and ratings. This expendable text for writing into a student supports mastery standards through interactive conceptual development as well as procedural development. NON-COMMON CORE (SIA) PRODUCTS ARE ALSO AVAILABLE © 1996-2014, Amazon.com, Inc. or its affiliates © 1996-2014, Amazon.com, Inc. or its affiliates The Teacher Edition organized through progression training and training based on standards by explaining best practices and instructions detailing how to incorporate program components. The Personal Math Coach (PMT) allows teachers to determine students' learning style, pace and needs for individual assignments. The Online Teacher Edition provides a point-to-use Interrogation Strategy, learning tips, additional activities, and professional development videos. Forming and summarizing grades ensure students get the support they need and make progress.
