## Prince george hospital

Prince Harry has made it clear that not all members of the royal family want to be part of the monarchy. And, his nephew, Prince George could follow in his footsteps. Although he is still very young and probably does not understand what his position in the royal family means, Prince George has his own idea of what he wants to be when he grows up. What does Prince George want to be when he grows up? Prince George doesn't want to be king. | Richard Pohle/AFP/Getty Images Like all young boys, the eldest son of the Duke and Duchess of Cambridge is obsessed with everything that happens on wheels and, at the moment, is particularly fascinated by fire trucks and police cars. He even asked Santa for a police car for Christmas last year - how sweet is that? And, although he did not categorically say he wants to be a policeman, Prince William alluded to his career interests. In March 2018, the Duke of Cambridge visited the winners of the Metropolitan Police Excellence Award at Kensington Palace and spoke of his son's obsession. We are only at the bottom of the road in Kensington and I said, Maybe Prince George and Princess Charlotte could join the cadets, said one of the winners after the event. And, apparently, Prince William responded with well, he [Prince George] is doing what the police are doing right now. Does Prince George know he'll be king? Prince George won't know his fate until he's a little older. | Chris Jackson/Getty Images Allowing Prince George to dream of becoming a police officer — aka, having a normal career — is probably a lot of fun for Prince William and Kate Middleton, because they know what's really in store for their son's future. That said, Prince George apparently has no idea that he will one day ascend the throne and become King of England. In an effort to keep Prince George's childhood as normal as possible, the Duke and Duchess of Cambridge have decided to delay the narration of his fate to their son. As far as we are concerned in our family unit, we are a normal family. I love my children the same way as any father, and I hope George loves me the same way as any son to his father, Prince William shared in an interview. We are very normal in that sense. There will be a time and a place to bring George and understand how he fits into the world. But right now, it's just about keeping a safe and stable environment around him and showing as much love as possible as a father, he added. That said, the choice to wait could lead Prince George's classmates to topple the beans that his parents can explain his place in the world. However, the Duke and Duchess of Cambridge want to take the risk, as Prince William learned of his role at a young age and it had a negative effect on his life. According to reports, the future King of England felt the pressure of his like a young boy. Knowing first-hand what learning of such a fate so early can do, Prince William decided to protect his son from discovering until he was a little older. Check out the Cheat Sheet on Facebook! We all agree that Prince William and Kate Middleton have three lovely children: Prince George, Princess Charlotte and Prince Louis. Because the little ones have given us tons of cute moments, the royal fans just can't get enough of the kids from Cambridge. The first child William and his wife had was Prince George. It seems that as recently as yesterday, the announcement of his birth made international headlines and before we went public, he was gone for his first day of school. The young royal is growing up fast before our eyes, so how old is the son of the Duke and Duchess of Cambridge today? Here is the answer to this as well as the age of his siblings are. Prince George of Cambridge Andrew Milligan - Pool/Getty Images When was Prince George born? Middleton gave birth to Prince George of Cambridge on July 22, 2013, at St. Mary's Hospital in Paddington. A press release was issued following the arrival of the royal baby and a statement on social media at the Palace that read: The Duchess of Cambridge was delivered safely from a son at 4.24pm. The baby weighs 8 lbs 6oz. The Duke of Cambridge was present for the birth ... His Royal Highness and child are doing well and will remain in hospital overnight. George is third in line to the British throne after His Royal Highness The Prince of Wales and His Royal Highness The Duke of Cambridge. When were his siblings born? Prince William, Kate Middleton, Prince George, Princess Charlotte, and Prince Louis Dominic Lipinski/AFP/Getty Images George has two siblings, Princess Charlotte and Prince Louis. George's little sister, Charlotte Elizabeth Diana, was born on May 2, 2015. It is fourth in line of succession thanks to the Crown Succession Act, which amended the system so that men no longer take precedence over their older sisters. The Duke and Duchess welcomed their third child, Prince Louis Arthur Charles of Cambridge, on April 23, 2018, to St. Mary's Hospital. He is behind Prince Charles, Prince William, and his brother and sister in line of succession. Does George know he's going to be king? Prince William and Prince George Justin Tallis/AFP/Getty Images Prince George does not yet know he will be king. William and Middleton decided to delay his talk about his future so early so that he could have as normal a childhood as possible. As far as we are concerned in our family unit, we a normal family. I love my children the same way as any father, and I hope George loves me the same way any son does to his father, William said. We are very normal in that sense. Sense. be a time and a place to bring George and understand how he fits into the world. But right now, it's just about keeping a safe and stable environment around him and showing as much love as I can as my father. Of course, by not telling him now, the Duke and Duchess run the risk that one of his classmates at school will eventually reveal it. But they are willing to take that risk because they feel it is better for their son. Read more: Is Kate Middleton Pregnant with Her Fourth Child? Check out the Cheat Sheet on Facebook! Godparents are a huge deal for members of the British royal family. Typically, in the months after the birth of a little royal and before their baptism, the parents of the child will think long and hard about who will take care of their children and take care of their children as counsellors, guides and pseudo-parents. When Prince George was born - as the third in line with the British throne, Prince William and Duchess Kate Middleton did not take the task of choosing his godfathers lightly. Who are Prince George's godparents? Prince George sits for his official Christmas photo in a courtyard of Kensington Palace in late November 2014. | The Duke and Duchess of Cambridge /PA Wire via Getty Images Where was Prince George baptized? The British royal family is a religious people, which is why it takes seriously the baptism and designation of godfathers and marshals. In October 2013, when he was only three months old, Prince George was baptized at the Royal Chapel of the Palace of St. James. Who are Prince George's godparents and godmother? The future King of England has seven godparents and godmothers. The Duke and Duchess of Cambridge have appointed Jamie Lowther-Pinkerton — former private secretary to the Royal Couple and Prince Harry, Prince William's best friend William, William van Cutsem, Princess Diana's good friend Julia Samuel, one of Duchess Kate Middleton's best friends, Emilia Jardine-Paterson, Prince William's cousin Zara Tindall, earl Grosvenor- the duke of Westminster's son, and Oliver Baker, friend of the Duke and Duchess, as patron of Prince George. Who are Princess Charlotte's godparents and godmothers? Princess Charlotte has five godparents. They were announced when the pint-sized princess was baptized at St Mary Magdalene Church on Queen Elizabeth II's sandringham estate in 2015. Princess Charlotte's godmothers are the cousin of Prince William, Laura Fellowes, niece of the late Princess Diana and Sophie Carter, one of the Duchess's best friends. The sister of Prince George and Prince Louis has three godparents. They are adam Middleton's cousin -Duchess Middleton, as well as Thomas van Straubenzee and James Meade two of Prince William's best friends. | Matt Dunham-WPA Pool/Getty Images Who are Prince Louis' godfathers? Prince Louis, the Duke and the youngest son of the Duchess of Cambridge has six godparents and godmother - one more than sister and one less than her older brother. They are many of the good friends Duke and Duchess, Nicholas van Cutsem, Guy Pelly, Harry Aubrey-Fletcher, Lady Laura Meade, and Mrs. Robert Carter. Also, will Duchess Kate Middleton's cousin Lucy Middleton be one of the baby prince's godmothers, duchess Kate Middleton and Prince William the godfathers of Baby Sussex? Duchess Meghan Markle is currently expecting her first child, who is expected to be in spring 2019. However, we doubt that Prince William and Duchess Kate will be chosen as the baby's godfathers. Currently, Prince William and Prince Harry are in the middle of a quarrel. In addition, kings rarely ask their brothers and sisters to act as godparents because they already have an important role as an aunt or uncle in the baby's life. Follow The Cheat Sheet on Facebook! It seems that just yesterday it was July 22, 2013 and we were all celebrating the birth of Prince George, the first child of Prince William and Kate Middleton. Fast forward to today and the little prince is now five years old! With each passing year, George continues to surprise us with his adorable outfits, wacky faces, and all the cool things he acquires from being a royal. In honor of Prince George's fifth birthday, we look back at some of the most fascinating things about the Duke and Duchess of Cambridge eldest son: Prince George was the second heaviest baby at birth. Compared to his siblings, Prince George's birth weight of 8 pounds and 6 ounces is just an ounce less than his younger brother, Prince Louis. Her sister, Princess Charlotte, came a little lighter than her two brothers at 8 pounds, 3 ounces. Interestingly, George was born heavier than his father, Prince William (7 pounds, 1.5 ounces) and his uncle, Prince Harry (6 pounds, 14 ounces). Prince George already has a huge net worth. To be exact, the little prince is worth \$3.6 billion, according to TIME Money estimates from two UK-based consumer trends companies. Getty Images - Our face, exactly. Besides the fact that George is a prince, his outings lead royal fans to buy a lot of merchandise to imitate the style of the little prince - from the blankets he uses to the shorts he wears. This in turn increases its value to the British economy. The amount is less than that of her younger sister, Charlotte, who is worth about \$5 billion. This is largely due to her gender and the biggest money opportunity her clothes generate for the fashion industry. Prince George has seven godparents. While most children get one or two godparents, Prince George gets a whopping seven all thanks to the customs of royal family. For the honour, Kate Middleton and Prince William chose Earl Grosvenor, Jamie Lowther-Pinkerton, Julia Samuel, Zara Tindall, William van Cutsem, Emilia Jardine-Paterson and Oliver Baker. While all choices are considered close friends of the Duke and Duchess Duchess Cambridge, Julia was also close to William's late mother, Princess Diana, and Zara Tindall is Prince William's cousin. Getty Images He often meets dignitaries. At just two years old, Prince George had the chance to stay up late after bedtime and meet with both former President Barack Obama and First Lady Michelle Obama in April 2016. Oh, and did we mention that he was wearing the most adorable monogrammed dress in the world while doing it?! Seriously, just look at this dress and try not to scream (it's impossible): Getty Images Getty Images During the visit, Prince George thanked the former president for his rocking horse, as Barack and Michelle gifted the young royal when he was born. He also met with Canadian Prime Minister Justin Theroux and former Australian Prime Minister Tony Abbott. My1stYears.com He's got an incredible toy mine. George got some pretty amazing gifts. In 2014 alone, the Telegraph reported that he received 706 gifts from all the royal visits the Duke and Duchess took that year. In addition to the Obamas' rocking horse, some of George's most notable toys include a miniature polo mallet, a custom skateboard from Australia, a Cleveland Cavaliers jersey (given by LeBron James himself), a \$23,600 cottage on wheels, a royal crocodile, and even a lapis lazuli orb of Pope Francis himself. Yeah, wow. He was once a magazine cover star. For his first birthday in 2014, the prince appeared on the cover of Vanity Fair. What's more, the then-1-year-old even got his own spread in the magazine, which explored who his nanny was, what his trips to New Zealand and Australia were like, and more. He has since graced the cover of many magazines because, yes, it is a bit of a big deal. This content is imported from Twitter. You can find the same content in another format, or you may be able to find more information, on their website. The full name of Prince George, George Alexander Louis, is somewhat important behind him. Let's break it: 1. George: The name belonged to Queen Elizabeth's father, King George VI, who reigned for 16 years, as well as several other English kings, including George I and George III. It is also correlated to the patron saint of England, Saint George. 2. Alexander: The Greek nickname translates as defender of men, and has links to King Willem-Alexander of the Netherlands, the famous Alexander the Great, and, as CNN notes, many famous poets around the world. It could also be an ed to Queen Victoria, whose full name was Alexandrina Victoria. 3. Louis: Prince Louis of was the name of William's great-grandfather, as well as the nickname of Lord Mountbatten, Prince Philip's uncle. Given the birth of Kate and Will's new royal baby, the French name now shares a direct link with her younger brother, Prince Louis. He can be quite shy. His coy manners were the most at the royal wedding of Prince Harry and Meghan. While Charlotte kissed the floodlights with waves and smiles, Prince George appeared to be hiding behind Will's leg outside St. George's Chapel. Getty Images During a trip to Poland in July 2017, he exhibited similar behaviour, according to reports. Getty Images Naturally, all these events with cameras must be super overwhelming for the little prince. Still, he certainly seems to be a little more reserved than his sister, Princess Charlotte. But he has a clumsy side. Shy or not, Kate and Will have made it very clear that Prince George is quite a handful... sometimes even a little naughty. When he was just a baby, Prince William told CNN that his firstborn was a bit of a naughty man who reminds him of himself and his brother, Harry, when they were little. But even as he got older, George still maintained his rebellious side. When asked why Will and Kate didn't bring George to a country village in India in 2016, Kate reportedly replied: Because George is too mean. He was running around. Some recent hilarious shots of the future king at the Trooping the Colour 2018 parade seem to confirm what the Duke and Duchess have always said:[image id"905b7c32-2022-4cfc-8e2f-002783db63d6" mediaId"1116eb8c-ae9e-4fc4-a47f-758f67206b00" align"center" size"medium" share"false" caption" expand" crop/original]Oh, and we can't leave out this one: Getty Images He probably doesn't know he's going to be king. After Prince Charles and Prince William, Prince George is third in line with the British throne. But his father revealed to the BBC in 2016 that there was no intention to tell George of his future role in the monarchy ... Still, I love my children the same way as any father, and I hope George loves me the same way as any son to his father. We are very normal in that sense. There will be a time and a place to bring George and understand how he fits, into the world... But right now, it's just a case of keeping a safe and stable environment around him and showing as much love as I can as the father. For now, it looks like George is busy being a fun and free-spirited child. And it's pretty amazing to do just that.
