UNIT 3 Level of Health and Social Care 2 Explain how Meets the health and well-being needs of the human health and social care, human well-being is essential for all round health and well-being. Using The Case of Miss JB, this is an essay I will explain how my plan will meet the health and well-being needs of this person. To facilitate this process, an action plan has been developed to support the individual's short-, medium- and long-term goals so that Mr. JB can ensure his health and well-being. NOW TALK ABOUT THAT that health and WELL BEING is human health and well-being depends on a number of different factors. In general terms, health and well-being can be defined as..... balanced diet (e.g. improved immunity, healthy weight control) adequate rest and sleep (e.g. improving concentration, refreshing the body, restoring energy) regular exercise (e.g. improved physical fitness, weight control, circulation, mobility) supporting relationships (e.g. friends, family, professionals, improving self-esteem, self-esteem) adequate financial resources (e.g. social security benefits, free prescriptions, free lunches, pension, mobility) stimulating work, education and leisure, valued) According to Mr. JB BMI it is considered excessive and he doesn't get much exercise or sleep. Mr. JB also lives in a confined space, sharing 2 ...
