Moral education uae worksheets grade 4

Moral education is an innovative, attractive curriculum aimed at the development of young people of all nationalities and ages in the UAE with universal principles and values that reflect the common experience of humanity. In a growing knowledge-based economy and in an increasingly interdependent world, there is a need for a comprehensive approach to education. The programme encourages young people to learn about everyday life, to build on cultural values shared in different UAE communities. It strengthens the character for the development of the next generation of role models and leaders who make a positive contribution to the long-term health and well-being of society and the world. By adopting a logical approach, the program promotes universal concepts relevant to any community.
