Reduce capacity and increase charging The damage of Cradle's nova is boosted by bomb damage bonuses, since Cradle's Nova can't scale properly, the Level 50 version handles only about 5,000 - damage, making it effective only in low-level mode. Trivia The Cradle's name and text comes from the words from cradle to tomb, which in this case refers to the disposable side of the shield when it runs out. Cradle is one of four weapons and items in Borderlands 2 that will have a unique white flavor text, with the other three being Fibber, Mongol, and Unforgiven. The instead of the stretcher, the explosive proof variant is shown as a stretcher-proof bomb. After the shield is broken, it is thrown like a bomb, exploding with a nova exploding. Composition: Special weapon impact explosion: ... To the grave. When the shield runs out, the shield is flooded in a similar way to other Tediore weapons that cause an explosion. How to get a stretcher?: Borderlands 2 You can get random stretchers from the right robbery sources, but there is an increased chance to drop from Henry, located in the Borderlands Pre-Sequel Plateau. From Bosun in the fall of The Pity Borderlands 2 Legends Cradle Shield Place Guide How to Grind The Cradle?: You can use a grinder to create a cradle in the border before the sequel. While there is no guaranteed formula, you can combine 3 purple shields to get random legendary shields. Note: The Level 50 platen deals about 5,000 damages, causing high-level enemies to fail. But the low-level dock will work well with low-level enemies. Cradle damage is boosted by bomb damage bonuses. Trivia: The name of the crib and the taste text come from the general saying, from cradle to grave, which in this case refers to the disposable side of the shield when it is exhausted.
