The latest version of the best season saga now – a game in the style of the most interesting visual novels of the publisher Kompas. This game by saga publisher Kompas. This game by saga publisher Kompas. This game works as a game of skill, where you can find a young man's life in high school. This guy doesn't know that many activities and interesting events will happen during this stable summer. Like Fata, there are many more scenes in the game, you need to be at least 18 years old. Storytells the story of a man in high school. His father took another wife, so he had a stepmother (Debbie) and a step-by-stepster (Jenny). When his father died, he had to move to the suburb to live with his stepmother. His father owed a large amount of money to pay for college tuition and his father step of the Gameplaalthowga game is about mafia and gangs, you don't have to fight it or join gun battles like Grand Theft Auto. You are just a normal life like all other high school students in the city. Normal life doesn't mean it's boring. There are many challenges and difficulties that appear every day, you need to find ways to calm the face and overcome. Summer Saga owns 65 characters and 30 locations in the city. With visual novel Game Play, you need to create conversations with characters that appear in your life every day. They take you to the information and the needs that you have to do. After completing the assigned tasks, you will get valuable items and money to help pay for life. Introducing the summer story, in the first scene, you wake up in your room, the Vakataunaftair. The room consists of a broken computer, a remote, bed and some other items. When you open the room, you meet your step-by-stepster, Jenny. He always looks uncomfortable and often calls you a bart-time job during the summer vacation, it shows garden care for The Family of The Year. The leer is your support. The map icon in the upper left corner of your screen helps you move quickly to locations in the city. After cleaning the garden of Theri, you and he go to school. Principal Smith invited you to see him and show you his writing. Your mark is very low and you miss most articles. If you want to graduate, you need to take the course immediately to improve your mark. Since then, there will be a series of extremely interesting stories. You cannot predict everything. especially The main character of The Summer Saga is a pretty lucky man. Wherever she went, she met beautiful and hot girls. They are Friends during this summer vacation. There are two main ways in the Clean & amp; Cheated Summertime Saga, including clean and cheated. In clean mode, you need to complete every story that the game needs. Complete every conversation and solve each of their life's difficulties with the help of the central character. One thing you should remember is to listen regularly and remember the conversation. Maybe it will help you find the things you need faster. In addition, the cheated mode works as a modern version. This mode supports you a huge amount of money, you don't have money problems anymore. The Graphas-Samaratami Saga is a beautiful design like a moving film. The beauty of the seaside city district is described with colorful colors. Population density is not too crowded, you can feel the peace of a small beach town. Especially, I like the way to make hot girls in this game. Girls have a very beautiful and sexy appearance. I can play this game for hours without feeling bored.
