Plasma cutting controller kit Hypertherm Powermax45 T45V plasma cutting cwids. Complete guide package for Workshop Professional. Cut circles and straight lines easily and with control. This set of controllers fits all Hypertherm Powermax45 T45V plasma cutting burners Includes industry-leading roller guide cuts circles from 45mm to 1050mm diameter Optimal tip height always Unique rotating sleeve allows circles to be cut from one position by turning the guide frame Magnet Pivot increases stability and efficiency Suction Pivot for use with non-ferrous metals CNC machine-machined quality parts, brass fences, stainless axles and rails Spare parts available from primary delivery. Thanks to the unique design of this high-quality plasma cutting circle series, the user can hold the burner on the same axis as the entire jig rotates around the center wheel. This movement is achieved by CNC-machined shrugs, which are kept inside the jig roundly, allowing rotating movement to be done easily. The plasma cutting circle kit includes a burner snout, roller guide, magnetic twist, as well as a vacuum cleaner, radial arm and circle cutting guide. Cut any circle from 3 to 20 diameter Two metal wheels smooth cuts Magnetic base or suction cup stable cuts on almost any surface To view compatible bulbs and systems, see purchase information below. Stay on course with Hypertherm's basic circle cutting guide Here's the Hypertherm Circle Cutting Guide Powermax 30, 45, 65, 600, 1000, 1250 and 1650. This guide is designed to use hand burners to perform high-quality straight cuts, circular cuts up to 70 cm in diameter, circular cuts of 3 inches (7 cm) in diameter, and bevel cuts – all in one complete, professional package. The guide uses adjustable point-swirl, stabilization wheels and burner head sheathing to ensure consistent and precise measured circles on the workpieces. All this and more brought you a great price from Welders Supply Company! You don't have to worry about messing up your wounds anymore. Hypertherm's circular cutting controller will set you up to make the perfect cut every time you turn on the machine. Work faster. Get more done. Make fewer mistakes. That's what Hypertherm does for him. Order the Basic Circle Cutting Guide Kit #127102 Hitters Supply today or watch a more robust deluxe circle cutting guide kit that #027668 increase performance. Browse our entire range of plasma cutting machines or buy the rest of our Hypertherm accessories and Hypertherm welding products and start working more efficiently today. Their Powermax line consists of: highly portable air plasma system for manual cutting and engraving. The device can handle any conductive metal. Severance grant cut capacity is 5/8 5/8 30 amps up to 2 1/4 with 125 amps. Hypertherm Plasma Cutting Systems – such as the Powermax 30xp Plasma System or the Powermax 30 Plasma System – will help you do everything. Welders Supply does everything too. When you want the best customer service and the cheapest online prices, we are here for you. Automated cutting Hypertherm manufactures a full range of automated cutting products and accessories. Their mekanized plasma systems are available on a complete consumer benefit line. Laser systems can be selected for either fibre laser or co2. Heypertherm's HyPrecision water jet pumps offer the finest performance and durability. The new controls include Computer Numeric Control (CNC) drivers and drive software. CAD/CAM nesting software is also available, as are torch height controls (THC), such as Air Guide THC, Sensor PHC, THC & amp; OHC, and Legacy THC. Hypertherm has everything you need for accurate, automatic cutting. And Welders Supply is all you need for the biggest selection and lowest online prices! See also: Hypertherm Powermax 30 AIR (with built-in compressor) Welders Delivery; Hypertherm Dealer for All Your Plasma Cutting Needs No need to locate a Hypertherm distributor in your region or even in your country – Welders deliver ships worldwide to these countries (and more): United States (free shipping to 48 states) Canada Mexico U.K. Netherlands U.A.E. India Japan Australia Indonesia Free shipping on orders Over \$300 welders Delivery is the best Hypertherm retailer in the U.S. (and possibly in the universe). You'll find the cheapest prices for plasma cutting equipment, hand and me00 burners, consumables, accessories, safety equipment and thousands of other welding equipment. But that's not all - you also get free shipping in the continental United States on all orders over \$300. Browse all our quality welding equipment from top brands like Miller, Tillman and Hobart. Hobart.
