Class of 2021 Information Dear Students, Teachers and Parents: Welcome to our Manchester High School website! The Manchester High School administrative team is proud to serve our students, parents, teachers and community. Manchester is an inclusive community of scholars. Our mission is to work in partnership with students, families and the community to emphasize and support high levels of success through global education for all, with options and opportunities to meet the diverse needs and interests of individual students. We encourage all of our students to take advantage of the many opportunities available to you throughout your high school career. In class, commit to studying and doing your best in all tasks. Try to apply what you learn in class to real-life problems and situations. Once you have earned your education, it is an unlimited resource that will open the doors to new horizons. Your education is something that no one can ever take away from you. It will be an asset to you throughout your life. Outside the classroom, find a club, sport or activity you like and help you feel connected to your school and community. There's something for everyone in Manchester. Extracurricular activities help you build a family within our extended family. They offer opportunities to develop your leadership and creativity. At Manchester High School, we are committed to providing a high quality education to all students. Once a student, staff member or parent joins our Manchester community, that person becomes a Lancer for Life. This means that our school will be there for you as a resource and support system throughout your life. We hold the following core values: Lancers are SURE, PRESENTS, DE DISRESPECT AND RESPONSABLES. In conclusion, I wish you all a wonderful school year. If I can help you, please contact me and know that my door is always open. I can be reached at mchs_mail@ccpsnet.net or by calling the school at 804-739-6275. It is an honour for me to be your principal.
