More people end up in medical school with a Kaplan MCAT course than all the main courses combined. Now the same results are available from the MCAT Organic Chemistry Review. This book has a thorough overview of the topic, more questions than any competitor, and the most lucrative issues available. The comments and instructions come directly from Kaplan MCAT experts and include targeted attention to the most proven concepts. MCAT Organic Chemistry Review offers: UNPRECEDENTED KNOWLEDGE MCAT: The Kaplan MCAT team has spent years studying each MCAT-related document. Together with our expert psychometrics, Kaplan's team is able to ensure the accuracy and realism of our practical materials. THOROUGH OVERVIEW OF THE TOPIC: Written by leading, award-winning Kaplan instructors, all material has been tested by editors with higher scientific education and a doctor. ENHANCED CONTENT THROUGHOUT: As MCAT continues to evolve, this book is constantly updated in accordance with AAMC guidelines accurately – no more worry if your prep is comprehensive! STAR RATINGS FOR EACH SUBJECT: New for the 3rd edition of the MCAT Organic Chemistry Review, each topic in each section is assigned a stellar rating informed by Kaplan's decades of MCAT experience and facts straight from the tester - about how important your score will be on a real exam. MORE PRACTICE THAN COMPETITION: With questions throughout the book and access to a full-length practice test online, the MCAT Organic Chemistry Review has more practice than any other MCAT organic chemistry book on the market. ONLINE COMPANION: One practice test and additional online resources help learn content increase. MCAT is a computer test, so practice in the same format as Test Day is key. HIGH-QUALITY IMAGES: From full-color, 3-D illustrations, diagrams, graphs, and diagrams from scientific American pages, the MCAT Organic Chemistry Review turns even the most intuitive, complex sciences into easy-to-visualize concepts. MCAT KAPLAN REPUTATION: Kaplan is a market leader in prep MCAT, and twice as many doctors have prepared for MCAT with Kaplan than with any other course.\*UTILITY: Can be used alone or with other companion books in Kaplan's MCAT Review series. \* Doctors refer to American MDs who were licensed between 2001 and 2010 and used a paid course to prepare for MCAT. The alphaDetail, Inc. online survey for Kaplan was conducted from November 10 to December 9, 2010 among 763 licensed U.S. MD, of which 462 took MCAT and used a paid course to prepare for it. Always learn with the freshest previous way of an extension!
