Transportation Ten miles from downtown Tempe and the bustling ASU campus, Arboretum in South Mountain takes you away from the clamor of the campus without sacrificing your convenience. Driving to university takes 14 to 22 minutes during periods of quiet traffic, but add another 12 to 14 minutes to driving time during heavy travel hours. To get to the ASU, take Interstate 10 west towards Tempe, then merge on Highway 60 eastbound. You will take Exit 173 of Mill Avenue and head north on Mill Avenue. Mill Avenue takes you directly to the western border of the campus. Surface streets can also be used to get to the ASU, but they will increase your driving time. Valley metro buses offer excellent alternatives to driving at ASU. While the bus ride will take between an hour and a half, you will be able to use this time to work, read, snooze or chat. There are several route alternatives, but one of the best is to use bus route 156 and bus route 66. You can take the 156 bus to East Chandler Boulevard and South 50th Street. You will get on the bus for eight minutes, disembarking at Kyrene and Chandler. You will then walk a short walk from the Route 66 bus stop to Mill and Kyrene. Highway 66 buses run along the west side of the campus, giving you several options to disembark. The entire itinerary lasts one hour and three minutes. Near Interstate 10 is four blocks from Arboretum to South Mountain apartments, and there are plenty of restaurants and shops along the highway corridor. The closest to you on Chandler Boulevard are Cracker Barrel, Circle K, Hurricane Grill and Wings, Whataburger and a host of other restaurants. A mile and a half north is the Chandler Pavilion / The Shoppes at casa Paloma, where you can dine in one of the 20 restaurants in the center, center, stores such as Talbot's and Banana Republic and enjoy massage, nail and salon services. Trader Joe's and Safeway are about 10 blocks west of your apartment. 05/03/20Our AC came out last week closer to the interview going home, I called the emergency line left a VM and he called me right away.
