Students here are doing about the average year-over-year academic recovery. More and more of these schools have received above-average results on how well they serve disadvantaged students, and students perform above average in state tests. Students at this school are making average academic progress given where they were last year compared to similar students in the state. Average progress with higher exam scores means that students have strong academic skills and students at this school are studying at the same rate as similar students in other schools. The parents tip exam scores at this school are above the state average. Because exam results in some states are so low, are some students at this school still missing or confusing that they may not be performing in the class-level parents tip Statement? Equality Disadvantaged students at this school perform much better than other students in the state, and this school successfully closes the achievement difference. The parents tip that student outcomes percentage low-income and under-served minority students are dedicated to uniting the school environment Wednesday, October 21st, Unity Day, one day for favors, admissions and inclusion.
