When we were kids, we had a huge, vivid imagination. We think about having supernatural powers, or being the greatest hero who saved the day. You can relive that moment by playing role-playing games (RPGs) games directly on your Android device. This type of game allows you to visit a fantasy world and transforms you into anything you want to be. You can be a rich and powerful sorcerer, a brave and powerful warrior, the legendary pirate of the seven seas or the sharp-throwing archer. With hundreds of thousands of Android apps, you may find it difficult to find the best role-playing games for Android. Don't worry anymore, as we've compiled a list of the best RPG games that can be played on your Android device. Note that the following applications do not follow a particular order. Kingdoms Live Ready your battle weapons and make your way to the top with Kingdoms Live. This app is a massively multiplayer online text-based role-playing game (MMORPG) for your Android device. This game is perfect for those hungry for adventure and want to read at the same time. You start out as a peasant in this game. As you progress, you'll receive special quests and items to build your character. If you're lucky, you might have a chance to rule your own kingdom. But getting to the top isn't as easy as you think. You have to perform special missions, collect rare items, build your army, and fight against other players online. The app allows you to choose from 3 different races: Human, Orc or Elf. From each race, you can also choose one of three classes: Warrior, Wizard, or Rogue. You can also invite your friends to join and expand your army. Increase your territory by acquiring new land. Please note that this game is an online game and you need an active internet connection for you to play it. Be the master of your own virtual realm with Kingdoms Live.Kingdoms Live™ for Android in AppBrainZenonia 4 As Evil arises, grab your Android device and get ready to fight wild monsters with Zenonia 4. If you have played the previous Zenonia series and loved its RPG action, then you will surely love this game. Zenonia 4 lets you play the role of Regret as you battle evil monsters that disturb peace on earth. But this time, your adventure is now in high definition, bringing more adrenaline actions to your Android device. If you are an avid fan of role-playing games and an anime lover, this game is perfect for you. The game allows you to enjoy an anime-packed, action-packed game on your Android device. Follow the story of Regret and your friends as they avoid evil monsters. As you defeat monsters, you'll also gain experience to level up your You can also customize your character by distributing stat points and choosing which skills to learn. Along the way, you'll also find items to customize and make your hero stronger. And, if you think you have what it takes to be called an RPG master, use your to fight other players with Zenonia's online Player vs. Player (PVP) feature. Kill monsters and become a hero with Zenonia 4.ZENONIA® 4 for Android in AppBrainOrder & Chaos Online used to play the MMORPG Ragnarok on our computer. During that time, he could be a powerful magician and cast magic on helpless monsters. I could also be the holy priest and heal the members of my party. If you like to play this type of game but don't want to sit in front of your computer, you can do it on your Android device with the Order & Chaos Online app. This app features a 3D online RPG game experience within reach of your Android device. The game allows you to choose up to 4 races: humans and elves fighting for order, and orcs and undead for chaos. You can also customize your character by selecting gender, class, appearance, skills, and more. In its vast fantasy world, you can do whatever you want. Explore dark, spooky forests. Interact with players and trade rare items. Prove your skills and fight against other players online. Your first login entitles you to a free 3-month subscription. You can then extend your subscription by \$0.99 per month, \$1.99 for 3 months, and US\$2.99 for 6 months. You'll also need an active Internet connection and a Gameloft LIVE! account to play this game. Choose your side now and play Order & Chaos Online.Order & Chaos Online for Android in AppBrainInotia3: Children of Carnia Carnia needs a hero to regain peace and order. Be the hero and bearer of peace in Inotia3: Sons of Carnia. Join them and follow their story as they become Heroes of Carnia.The game allows you to play in an organized battle party system. You can mix and match your group to suit your battle needs. The game allows you to choose up to 6 different classes. You can also hire mercenaries to help you on your mission. You can customize the character by equipping them with various weapons, armor, and accessories. Follow the story of Lucius and Ameli as they protect their carnia people in the Android game Inotia3: Children of Carnia.Inotia3: Children of Carnia for Android in AppBrainBattleheart If your heart is craving pure fun and action full of battle, you may want to play the Battleheart game app on your Android device. Basically, you play your group commander in a war against in your kingdom. The game features simple touch controls. Simply tap and drag to attack monsters or heal your allies, and tap the skills button to perform powerful tricks. The game also allows you to customize your group allowing you to choose a variety of characters. You can select the warrior as the front front the cleric as the support, the minstrel to play the war notes, and the magician to cast powerful spells. To keep up your adrenaline, the game also allows you to enjoy epic boss battles. Use your wits and your team's abilities to defeat any monster in your path. Every 5 levels go up, you can unlock a new spell and skill for each character. You can also test your strategic skills and let your group survive as long as you can in the battle arena. Swing your sword, cast a fireball spell, and play battle melodies to protect yourself from monsters in the Battleheart app. Battleheart for Android on AppBrainMonster Galaxy Remember the Pokemon cartoon series? I was one of the avid fans of Ash and Pikachu's adventures. I even called my pet hamster Pikachu and I wish I could generate some electric sparks, too. If you liked watching Pokemon, why not become a monster trainer with the Monster Galaxy app? Although it doesn't have cute and affectionate Pokémon like Pikachu or Jigglypuff, the app follows the same concept of catching monsters and putting them into battle. Your main task is to catch monsters, who they call Mogas, and test their skills in battles. Travel and explore the world full of 14 Zodiac themed islands and collect monsters. There are about 125 monsters for you to collect. As you catch and collect Mogas, you also have to train your monsters as you make your way to defeat King Otho.Can you collect all 125 monsters and defeat King Otho? Be a Mogas trainer with the Monster Galaxy app. Monster Galaxy for Android on AppBrainSix-Guns Experience the Wild West with Buck Crosshaw and the Six-Guns app on your Android device. Buck is an outlaw who eliminates naughty cowboys and thieves. You can also face supernatural creatures like vampires and mysterious monsters throughout the game. The app allows you to control Buck and help you fulfill your missions. Using this app allows you to explore the places of Arizona and Oregon directly from your home sofa. You can also customize your character by unlocking a variety of clothes and being a stylish cowboy. And, let's not forget the horses and weapons to complete the set. The app allows you to choose between 8 different horses and 19 weapons. What's more is that the game is available for free. You don't have to pay anything to download Six-Guns and finish it to the end. Sit down, reload your weapons and wear your cowboy outfit while traveling to the Wild West with Six-Guns.Six-Guns for Android on AppBrainThird Blade Want to play a role-playing game that cuts monsters and adrenaline on your mobile phone? Try playing the app Blade file on your Android device. You control a hero in this game and in all levels, you have to defeat a set of monsters. You also have to defeat tough bosses along the way. The game allows you to choose 3 different types of weapons. The double handle allows you to use two weapons in both hands. You can Attack monsters and have a higher chance of dealing damage to them, but the double wielding does little damage. Double grips are also good for building your combo counter. Combo gives you additional attack points and added critical rates. The one-handed sword is the safest weapon to use. Allows you to do average damage and normal speed attack. The one-handed sword is the heaviest weapon. Using this weapon deals more damage, but sacrifices your attack speed. This weapon is ideal for large and slow moving monsters. You can also purchase new weapons and learn new abilities that match the weapon you use. You have to mix and match the right weapons and skills for the monsters you face. What are you waiting for? Keep your adrenaline pumping with the Third Blade app on your Android device. Third sheet for Android in AppBrainStar Legends (3D MMO) Who doesn't love the Star Wars saga? I love the futuristic scenarios of movies, robotic characters, space wars and lightsahead cutting actions. If you like sci-fi settings and futuristic designs, why not play the Star Legends Online RPG (3D MMO) on your Android device? The game allows you to travel to space with your friends directly from your Android device. The game allows you to choose 3 different characters. Commando specializes in handling heavy weapons. This type of character can deal a lot of damage to the enemy. The Operative has experience in handling dual weapons. This character can be used to quickly attack enemies, but with a lower attack rate than Command. The Engineer is the character who keeps the group going during missions. This character specializes in support skills and upgrades on your team members. This is an online game so you will need an active internet connection to play this game. The game is also played on a server so you can easily find your friends and get to know new players online. Star Legends (3D MMO) can be downloaded for free from the Google Play Store. Buying Platinum in-game allows you to purchase more items and unlock more equipment. Travel to outer space and finish your mission with your friends with Star Legends (3D MMO) on your Android device. Star Legends (3D MMO) for Android in AppBrainPocket Legends (3D MMO) After completing exciting missions in space, return to Earth and visit the mystical world of Pocket Legends (3D MMO). This app is another 3D MMORPG from Spacetime Studios. This time you'll have to use mythical creatures as heroes to complete your missions with your friends. This game allows you to choose 3 different characters. If you put on brute force, you can to the mighty and strong Ursa Warrior.
