More Reading the Koran is a light and guidance (hadiy) for those who always represent themselves and their behavior only for Allah SWT. Reading the Koran well and tartiilan is anafdholan in the performance of Kalam Allah well. Therefore, it becomes important to teach those who are well aware of the Prophet and will be until the end of time. Reading and understanding this should also be based on asking God for pleasure and always giving to improve reading. So it becomes important when one reads the Koran knowing makharijul huruuf, the position of waqaf, tahsiin al qira'ah, where the position of the mind, and so on. The most important thing to expect when studying and studying the Koran is the sincerity and pleasure of Allah SVT. Now we should be proud of how Muslims are in Indonesia, with the increasing number of Koran memorizations in Indonesia. In fact, many Islamic schools then used certain methods of teaching the Koran to teach their students. Yes, the Koran is becoming very important in this era, and both children and adults should strive to study the Koran. But there are problems that arise when a person wants to study the Koran is limited by time factors and other things. For example, students who come home too late from school much later They are drained can allow the estimated time to learn to pay distractions if not managed properly. Similarly, the employment of those who work (workers) too late, even arriving home too late, forces time to learn tahsin or pay to be disrupted as well. To overcome this, we are working to provide time to study and with the Koran, and not wait for the remaining time to learn the Koran. Therefore, Muslims should read the Koran and study it so that it can practice what is listed in the Koran in everyday life. When reading this book of God, of course, it cannot be careless. When reading the Koran. There is knowledge to be able to read the Koran well and correctly. Studying the science of the Tahsin Al Koran becomes necessary in the period between learning to read the Koran, because the Koran is a holy scripture that must be read and studied properly and correctly. The meaning of the Koran. What is the purpose of the Tahsin Al Koran? The purpose of studying Tahsin himself is to be able to read the Koran properly and also freely according to what the Prophet Muhammad SAW taught. The purpose of learning tahsin can also be said as an attempt to keep oral, so as not to make mistakes when reading the Koran. The law of studying tahsin science as a discipline is fadhu kifaya. This means that the study of tahsin in more detail is not required for every Muslim. Learning Tahsin in depth can only be represented by a few people. But if no one in the people studies tahsin at all, it becomes sinful for the people. The rule and benefit of Tahsin While the law of Tahsin when reading the Koran is Fardhu Ain. With a word Reading the Koran using the rules of tahsin is mandatory for every Muslim, or you can say that a personal obligation. Thus, it can be said that the use of tahsin science when reading the Koran is mandatory when reading the Koran. If a Muslim does not apply the rules of tahsin Al Koran? The benefits of using tahsin when reading the Koran include that we can make contemplation when reading the Koran. Only reading the Koran well, and also true, the Koran can be impregnated and also understood by its readers. The recitation of the Koran is bad as well as the meaning contained in the verse that is read. Therefore, it becomes very necessary to study the science of Tahsin Al Koran to read the Koran well and to permeate all Tahsin id Tahsin id the meanings contained in it.
