Let's take a closer look at this game with our reviews. StoryThe game takes place in a fairly simple setup that has a post-apocalypse future where humanity is almost destroyed after a deadly outbreak of the virus. And to make matters worse, those who are infected will not just die, but instead, they have turned into nasty beasts that only crave the human brain. Depending on the compatibility with the host, each virus can turn their zombies into different forms with escalating powers. You, being one of the few survivors, will have to make your way of fate to the safe outposts where the last of humanity is gathered. But first you have to travel on dangerous roads where herds of zombies roam in search of food. All you have is your trusted van and one gun to cross the threatening ground. However, you need to keep moving forward. Who knows what will come for you if you continue to hesitate. Time for you to step up and find yourself far into death. Be careful as zombies on the streets can easily jump on your car and make it turn easy. So make sure to either stay away from them or take them quickly. Here you'll find all the interesting features that the game has to offer: To make the game less challenging for new gamers, the zombie Highway 2 features simple and optimized touch controls that you often see on famous racing titles like Asphalt or Need for Speed.
