Nick Jonas has The Voice Judges Fooled Courtesy of 1 Brooklyn 99 – Halloween Choosing just one of Brooklyn's 99's Halloween episodes is an almost impossible task, but when it comes down to it, the sitcom's annual tradition really owes itself to the very first season 1's Halloween. It's not just that the episode itself is inventive and entertaining, it's that the bet to prove who ultimate detective/genius is so effective as to spun off one of the greatest running gags in the show's history. Watch Now 2 Friends – One with a Halloween Party Aptly Named One with Halloween Party has arrived for the eighth season of Friends. Featuring Chandler as a pink bunny, Ross as Spud-nik, Rachel's setbacks with Phoebe's evil twin Ursula, and an arm wrestling contest where there are certainly no winners, this episode serves as a classic reminder of how much we love the Central Perk gang. Watch now 3 This Is the Great Pumpkin by Charlie Brown While the rest of the peanut gang is busy with costumes and trick-or-treating and Halloween parties, Linus devotes his night to what he sees as the true spirit of Halloween: waiting for the arrival of the Great Pumpkin in his pumpkin patch. For those who have seen it dozens of times, and for those who have never watched it, this iconic special is a joy for everyone. The best part: special weather every year before Halloween, so it's a great time to gather a family and start a Halloween tradition. Buy now 4 parks and recreation – Greg Pkitis Parks and Rec had more than one stand-out Halloween episode on its run, but we especially love season 2 sex, Greg Pkitis. While Ann tries (with mixed success) to throw an impressive Halloween party, Leslie and Andy team up with their boyfriend Dave to take down teen ne'er-do-well Greg Pkitis. Every year Pkitis vandalizes the city's mayoral statue, but this year Leslie is determined to catch him in the act. Pkitis, meanwhile, has her plans to keep Leslie on his feet- there's a reason she refers to him as her arch-nemesis, after all. Watch now 5 Modern - Halloween We all love Halloween, but when it comes to family, especially Pritchett-Dunphys-it can be a real horror show. Season 2 episode Halloween puts some of the best on the modern family, giving each character a challenge to overcome being the only person in the office to wear a suit, trying to reclaim ownership of the holiday, in English as the second language, and bringing them all to mind in the most hilarious way possible in Claire's over-the-top haunted house. Watch now 6 MASH – Trick or Treatment Even War can't stop the 4077th from getting some Halloween fun. The crew tries to hold a Halloween party to celebrate, with all the doctors dressed in makeshift suits, but before the celebrations can begin, wounded soldiers begin to arrive at the camp. The episode manages to balance humor with the seriousness of doctors' daily lives so that only MASH could. Watch now 7 Buffy and Vampire Slayer – Fear itself, as you might expect from a show that revolves around monsters and magic, Buffy has had some notable Halloween episodes, but season four Fear itself really takes the cake... er. Towards a normal Halloween night, scoobies head to a frat house costume party, but the evening takes a frightening turn when two frat brothers accidentally invite a demon who brings each's greatest fear to life. Watch now 8 Frasier - Halloween This is a classic comedy blunder in this episode of Frasier's fifth season, all revolving around possible pregnancy. Roz swears frasier into secrecy when she discovers she can count on any duel of false interpretations and overheard conversations to cause Niles to challenge her brother in a daphne honor. Watch now 9 The Simpsons - Treehouse of Horror V Television holiday specials worldwide, no TV show has made quite a lot of impact on The Simpsons. While the show, so far, has aired 30 episodes of its Treehouse of Horror, Treehouse of Horror V is arguably the best among them. Since the show's sixth season, these episodes feature some of the show's most iconic Halloween segments, including Time and Punishment (in which Homer inadvertently changes the course of history with a time-traveling toaster), Shinning (the show's spoof on Shining), and Nightmare Cafeteria (in which school officials find an innovative and filling way to clean up crowded detention halls). Watch now 10 Office – Halloween Scare Factor is real life season 2 episode halloween. As Michael eagerly tries (and repeatedly fails) to fire someone over Jan's claims, Jim and Pam play a prank on Dwight that could have real consequences for their relationship. While the prospect of losing their job is enough to make many Dunder Mifflin chills, they still manage to make the most of the holiday with really creative costumes and no shortage of cat ears. Watch now 11 Freaks and Geeks – Tricks and treats from adolescence awkwardness were freaks and geeks of bread and butter, and he played the full effect of season one tricks and treats. While buttoned-up Lindsay decides to go out for a more raucous (and potentially illegal) kind of fun with her new friends, Sam and his friends discover that things don't go so smoothly in high school-age tricks or treatsies. Buy now 12 Community – Epidemiology Community always beats off clever riffs on pop culture, and that feels especially true in season 2 of Halloween episode Epidemiology. The Greendale gang finds itself in a zombie movie plot where an army surplus food dean has purchased a community college Halloween party that turns out to be contaminated with a zombifying virus. Watch now 13 Bob's Burgers – Full Bars No one can resist the top quality candy call, at least for all belcher kids, as the trio travel to the nearby rich neighborhood of King's Island for their trick-or-treating season 3 episode of Full Bars. Full-size chocolate bars may not be worth it, though, as Tina, Louise, and Gene quickly find themselves aiming for rowdy teenagers. Meanwhile, Bob gets wrangled into going to Teddy's Halloween party, where a fun evening soon turns into a murder mystery. Watch now 14 Stranger Things – Trick or Treat, Freak Stranger Things is, and in itself, quite scary for the show, but there is a special kind of charm in the second Season 2, Trick or Treat, Freak. Not only does the episode capture Will's struggle with his lingering connection to Upside down, it also touches on that poignant period between childhood and adulthood when you still want to cheat or treat, but aren't sure he's cool anymore. This is a moment of reality for a deeply supernatural show that does everything that comes after being hit closer to home. Watch now 15 How I met my mother – Slutty Pumpkin There is something special about the missed connection of what could have been and never did that give a moment of weight loss. People are ready to go a long way back into the road untraveled, but few are quite dedicated as Ted in season one episode, Slutty Pumpkin. After meeting a girl in a pumpkin costume building the roof of a Halloween party for years, Ted continued to don't wear the same costume every year (hanging in a Chad costume that didn't age well) and match up with the party hoping to meet her again. Watch now 16 Pretty Little Liars – The First Secrets of Endless, Twisting Secrets of Pretty Little Liars is enough to draw even the most teen drama-vice versa, and this season's episode 2 offers up clues to the spades. Set as a flashback to the show's first season, the episode shows what life and Liars were like before villain A showed up. It also raises tantalizing tips for things yet to come, because what's more Halloween than murder mystery? Watch now 17 Glee - Rocky Horror Glee Show With a show about Glee Club, Rocky Horror Picture Show Riff was almost inevitable, and we're all better for it. Featuring selections from cult classic music guaranteed to get stuck in the head, this season's 2-episode Glee Club is trying to put on a film adaptation as a school play, but it's not just teenagers who are getting into this act. Watch now 18 New Girl – Halloween Season 2 episode of Halloween, the gang must face the scariest thing of all: commitment. While Jess tries to decide whether she has real feelings about her casual fling, Nick accidentally winds up a serious relationship with the old college flame. And as Winston sees that his relationship may be ending, Schmidt is forced to admit that Cece is not one anymore. Everything comes to mind in the most new girl way possible at Jess's haunted house. Watch now 19 Boy Meets World – And then there was Shawn OK, and then there was Shawn's not technically a Halloween episode (it originally aired in February), but the slasher movie theme is right and taking full advantage of the spooky movie renaissance that takes place during the show's fifth season. The episode plays inside Shawn's head as he deals with his two best friends, playing with all the trophies in the genre and casting each member of the band as an archetype: Last Girl, Scream Queen, movie buff. She also has a great cameo under I Know What You Did Last Summer by Jennifer Love Hewitt. Watch now 20 30 Rock - Stone Mountain It's one of the all-time classic 30 Rock episodes and not just because it inspired a generation to call Pepto Bismol Peppy Bismilk. (To quote Liz Lemon, Why is everything just a little different here?) While the cast and crew prepare to celebrate Halloween at home, Liz and Jack take a trip to Kenneth's hometown because of Jack's notion that they should find a new cast member of real America. To absolutely no one to be surprised, everything does not go as planned. Watch now 21 Sabrina Teen Witch - Candy Corn River runs through it Sabrina Teen Witch is pretty Halloween-y all year round, but the show has always pulled out all the stops of its spooky specials. In this episode - surely fan favorite-Sabrina finds herself hosting her non-magical friends at the All Hallows Eve party, but has some trouble keeping her homemade witch side hidden. And as a Halloween bonus, 10,000 Maniacs perform! (It's easy to forget, but Sabrina had it all.) Watch now 22 BoJack Horseman - Mr. Peanutbutter's Boos This BoJack Horseman episode uses Mr. Peanutbutter's annual Halloween party is like a plot device. He flashes through his four incarnations, starting with the 1993 bach and ending with the 2018 celebration. This bojack, so while there are plenty of Halloween fun 90s costumes, in particular, are a delight, it also comes with a dollop of melodrama, like Mr. Peanut pillars and regrets being laid bare. Watch now 23 Los Espookys - El Laboratorio Alienígena (Alien Lab) Los Espookys crew stage Halloween-style scenarios of life, so almost every episode will make you in an awful spirit, even if they're not celebrating the holiday, per se. The show's trademark blend of absurdity, memorable single liners (both English and Spanish), and home horrors are also constant now, but el Laboratorio Alienígena, costumes are especially Halloween-friendly.Watch now this content is created and maintained by a third party, and imported into this page to help users submit their email addresses.
