Welcome to Punpedia's entrance in cow games! The list contains games of bulls, Calf games, puns, and quite a few others based on cow-related topics, but this entry is a work in progress, so please help us by submitting more puns in the comments at the bottom (a) As always, Punpedia does its best to be a cruelty-free site, so we won't include jokes or puns on the brand, sacrifice, or the fight While we have lists of dairy products (see our cheese games, chocolate games and milk games), we encourage everyone to learn about the dairy industry. Check out how fresh cows are (it's a video), and enjoy puns! List of cow puns Each item in this list describes a pun, or a set of puns that can be made by applying a rule. If you know of any pun about cows we are please let us know in the comments at the end of this page! No more ado, here's the list of cow games: Cow: There are several mannerisms/phrases that include the word cow, and so it could be used as cow games in the right context: A cash cow when you can get milk for free? Bull: Similarly, there are several expressions/phrases that are easy to bull: A story of roosters and bulls and Like a bull in a shop in China and Ox head and Grab the bull by its horns and Bull-headed and What a load of bull/BS and Bullish (aggressively safe) and Like a red flag to a bull Camouflage - Cow-moo-flage: As in Us cow-mooflag well among the bushes. and Put your cow-moo team - we'll have to be cunning.
