Business organizations crossword puzzle answers

Crossword puzzles are a traditional part of many newspapers. Since 1913, when Arthur Wynne published the first crossword puzzle in the New York World, puzzlers around the world have delighted in these head-scratching games [source: Brief History of Crossword Puzzles]. And crosswords are more than fun; some studies have shown that regularly solving puzzles such as crosswords or Sudoku can help improve your memory, and may even reduce mental decline in the elderly [source: Christie]. Crossword puzzles are also a great way to improve your vocabulary and general knowledge. Some crosswords are simple, but some are definitely not. The famous Sunday crossword puzzle of the New York Times is one of the hardest out there, and it's not for the faint-hearted. But don't despair -- there are plenty of tricks that can help you become a puzzle master. Remember, the harder the puzzle, the more satisfying it is when you fill in that last square. Ready to dive in? Read on for the top 10 tips for solving crossword puzzles. Page 2 Crossword is a bit like cobwebs; each answer is connected to the others nearby to form a woven network of letters. Pulling one string of letters affects all others, too. Most crossword puzzles are naturally divided into different groups of up and down clues, connected to the other groups by longer answers. With that in mind, working through the puzzle is a cluster of columns at once -- as opposed to going through all the clues at once, followed by all the clues down -- a good strategy. Every word you fill in will help solve the others around it. A clue will always be written in the same part of the speech as the answer. Check directions that call for answers ending in S, ED, EST, or ING. Often these endings can be pocketed (but not always). Checking the crossers of these answers can help verify that the end applies. For example, if both the over and down clue is plural for two answers that cross on the last letter, chances are the letter is 'S'. Strange words will be marked directly, Friend: Fr. = AMI or indirectly, Friend, in France. Abbreviated answers are indicated directly, Whistlestop (Abbr.) = STA or indirectly with a shortened word as part of the clue, RR stop = STA. These cluing conventions are the accepted norm for American style puzzles. Do you know the names of the elements of their symbols?. Todd Helmenstine Crossword puzzles are not only fun, but can be a good way to practice spelling unknown words, like the names the elements on the periodic table. The clues to this printable crossword puzzle are the symbols for the first different elements. An answer key for the crossword puzzle is provided on the next page. Provided.
