Nba 2k15 ps4 controls

Built completely from the ground up for the Xbox One, the NBA 2K15 employs the latest in technology to deliver the most sophisticated basketball experience ever made. This guide will provide an overview of our Game Modes, a complete list of in-game Controls, a complete list of Kinect commands available in-game, and support information. Help in NBA Game Modes Today keeps your NBA 2K15 experience up to date with the real NBA. Play tonight's games from the real NBA calendar or choose the fantasy showdown of your choice. One thing is guaranteed, all your experience will accurately reflect what's happening in the NBA! The performance of players in the real NBA will be reflected by timely updates from the list. The NBA Today experience is unmatched in the world of sports video games, and needs to be seen to be believed... MyCAREER in NBA 2K15 gives you the opportunity to develop your MyPLAYER from scratch in an NBA superstar. From starting as an unknown just trying to make the team, to working your way up the depth chart and becoming a starter, your destiny is completely in your hands. But the action isn't just on the court. Interact directly with your coach, teammates, agent, GM, media, and other NBA players as you shape the way your career unfolds. Along the way, you can upgrade your MyPLAYER in a variety of ways, including skills, signature animations, accessories, off-court clothing, and more. Are you going to become the next big NBA player, or will you fail to live up to expectations and wash up without making an impact? At MyCAREER, it's your choice. MyGM is a completely reimagined franchise experience. In NBA 2K15, immersion and depth of experience have taken you to new heights with the addition of fun and thought-provoking new features. As the GM of your favorite team, you'll need to meet your owner's demands, all while fostering relationships with other GMs, your team, and, of course, your players. How you interact with these personas will determine the story of how your career as a GM unfolds. When it comes to getting what you want, sometimes it may take a little persuasion to achieve the desired result. But at what cost? As you gain experience making smart moves, you'll gain upgrades and perks as your GM goes up. To further help your effort, you'll have full control over your team's finances, even set game ticket prices, hot dogs and sodas. New to MyGM in NBA 2K15: GM-based experience leveling training injuries in season 2.0 Social Media All-New Prospect Scouting New SimCast Personality Model Evolving (and changing) All-New NBA Owners Analysis Gameplays More details on these new features are available once in the MyGM experience. There's no need! And if you could choose players of any era to build the team of all time? A fantasy team building playground, MyTEAM on Xbox One lets you build your team and play against exclusive lineups in Challenges, fight users online at Road to the Playoffs, or dominate all 30 NBA teams in Domination. This year MyTEAM has more packages, more prizes and more rare content added throughout the year. MyTEAM also debuts the brand new Auction House to buy and sell exactly what you want. Welcome to MyPARK, the next revolution in basketball! In NBA 2K15, the world has grown from a single Park to an entire region of players fighting for the supremacy of the pre. 3 cities, 3 parks, 3 unique basketball brands. The Old Town Flyers are notorious for their fast-paced play. Rivet City Roughriders are aggressive and ruthless, with the physical game dictating action above all else. The Sunset Beach Ballers are calm and relaxed, which translates into relentless precision shooting. Bring rivalry to the wood! Players from Old Town, Rivet City and Sunset Beach face off at the Jordan Rec Center to claim as the best players around. This venue features four full-size courts, 5v5 matches with NBA rules. Where's your loyalty? What park are you going to call home? Choose wisely. And get ready for the ball. An all-new experience for NBA 2K15, MyLEAGUE offers an incredibly robust franchise experience that enables complete and total customization. MyLEAGUE allows you to build the alloy you want. Play a single season, or establish an 80-year-old franchise. Don't you have time to play an entire season? Set the length of the season to 14 games. Or 29 games. Or 58 games. Not interested in the salary cap and all the rules that come with it? Turn it off. Do you want to be the commissioner and approve all the exchanges made in the league? You have that option. Win many games by simulating? Increase the difficulty slider to suit your fantasy. Every detail of how your league unfolds is in complete control with NBA 2K15's MyLEAGUE mode.
