On this page you will find various fifth-grade printed sheets, many of them aligned with the general basic state standards. These sheets and handouts are available for printing and sharing with their students or child. We intend to give you the opportunity to improve your child's skills and implement new concepts in a fun, stress-free manner. Depending on your child's abilities, you can view these fourth-grade sheets and sixth-grade sheets for additional practical materials. You can print these fifth-grade sheets only for personal, non-commercial use. The sheets cannot be stored electronically or posted on any other website, blog, forum, etc. To view and print sheets from this site you will need adobe Reader version 6 or later. You can download the latest version of the free Adobe Reader here. Print tip: If the page does not appear properly, restart or update the .pdf file. Fifth grade is fabulous!
