Ans: The immediate answer to this question will be NO. You do not need to pay tax when you are an epf member for more than 5 years. So you don't need to present 15G/H along with the output form. 15G should be submitted if you don't want THE TDS to be deducted by EPFO. TDS will be deducted if the withdrawal amount exceeds Rs.50,000. The TDS deduction is not a deduction if the withdrawal amount is less than 50,000 rubles. 2.
