Riddle School is an interesting point-and-click and puzzle game that was created by Jonochrome (formerly known as JonBro). This is the first game of a series of games of the same name and was created and released on May 25, 2006, when its author was only 11 years old. Plot All this game of the series is a funny story that revolves around a charming protagonist named Phil Eggtree who always feels so bored about being at school and trying to escape from there. According to Phil, his school is a terrible school where he has lockers for dozens of students, but the fact that he is only thirsty. The game begins when Phil is sent to a special classroom called Special Class for the Madmen because he mocks another Enigma School student. In this special class, he is taught by a not very intelligent teacher - Mr. Kahm who always teaches the wrong facts about mathematics. And that makes him feel so bored and he wants to get out of school. Of course, the main mission of the players is to help you do that. With an interesting story, this game attracts the attention of a large number of players from all over the world. In order to get more details about this game, we will move on to the following sections. Gameplay As mentioned above, your main mission in this game is to help our protagonist - Phil Eggtree achieve his goal. In detail, there are several obstacles in this game and you should use your smart thinking to help Phil overcome all of them. For example, you will have to interact with a lot of objects surrounding Phil and figure out the right direction or collect useful items that can help you inventory. On top of that, you also need to help you fool and confuse your teacher because there is no teacher that allows your student to leave the classroom and walk somewhere outside the school. En En In Phil, in this game, there are plenty of other characters, such as teacher, mail employees, school principal - Mr. Cwessschyn, workers, guard, and another student named Chubb Munch. You will encounter them in this game and be able to have some interesting dialogues with them. In these characters, there are several that will suggest some clues to escape, but some of them will prevent you. The tips for you is to follow the guides and clues you receive when interacting with them. How to play This is a simple point and click game, so, it's very simple to control. Use YOUR MOUSE to click and select items that you think can help Phil escape from his school successfully. Tips and tricks Let's play this game in full screen mode, you will surely have more interesting experiences than playing without using this mode.
