Subject: Dismissal of the appeal letterRespected sir/madame, It is noteworthy that I was a student at your college until last Monday, and due to student strikes and incidents after that, it resulted in the damage to several valuable institution properties. It was an unprovoked agitation by students, and the event took a bad turn, while the office staff at your college unnecessarily intervened and made the case worse. As the young men are well aware of the incident, the police entered the campus and the agitation became violent which led to an open war between several groups. As the student leader of the organization organizing the march, I sincerely apologize for the damage done to the campus and appeal to you to return my dismissal in a good way and let me assure you that will not be part of any such unethical agitation. I hope that as an institution that stands for the improvement of society and its values, you will not ignore my request and kindly make a decision in my favor that will help me a lot.
