Enjoy high quality toner filling! Laser toner filler for fireplace TN330 / TN360 / TN2110 / TN2120 contains only the highest quality, especially refined, specially formulated toner for the fireplace on the market! Laser toner filling for the TN330/TN360/TN2110/TN2120 fireplace is manufactured in the U.S. and is fast and easy to use. Filling your toner cartridge with our kit will be attacked in less than 10 minutes! Contains: 1 - Bottle of toner 1 - Full funnel cork filling instructions required: (sold) Reset equipment to brother TN330 / TN360 / TN2110 / TN2120 Beginner toner cartridge - required for starter fireplace cartridges. A beginner's cartridge is the cartridge provided free of charge through your printer. If you purchase the cartridge separately for the printer, you won't need that gear. Because the starter cartridges are not always installed in this reset equipment, the printer displays an end-of-life toner message if no reset equipment is detected. Reset equipment must be installed on each start cartridge used for the printer to function properly after the cartridge is refilled. Compatible with the following printers: · Fireplace DCP-7030 · Fireplace DCP-7040 · Fireplace DCP-7045 · Brother HL-2140 · HL-2150N fireplace · Brother HL-2170W · MFC-7320 fireplace · MFC-7340 fireplace · MFC-7345DN fireplace · MFC-7345N fireplace · MFC-7440N fireplace · The MFC-7840W fireplace matches the following cartridges: · Brother TN-2110 · Fireplace TN-2120 · Fireplace TN-330 · Brother TN-360 FAQ: What is a refill kit? These DIY products include toner and instructions for filling your own cartridge. My cartridge was reassessed with stripes before refills. Will your filler kit fix it? Toner fill sets are designed to fill a functional cartridge. If (before filling the cartridge) your cartridge is already printing with stripes, stains, or lines, your cartridge is actually already damaged or displays signs of defect, and refilling it will not bring it back to life. Toner cartridges have multiple moving parts that dissipate and affect quality. Our fills are designed to provide the same quality prints as the last pages the cartridge printed before it was refilled. Do not fill a faulty cartridge! Get a new replacement cartridge, which you can fill up later. Product # IKT-TN360-Product Filler Model TN360 - Filling Fill Page Fill Page Yield 2,600 OEM Brand Brother Mode New Manufacturer INKUTEN Color Black Shelf Life 24 - 36 Months Quantity 1 Filling Kit High Capacity Yield Questions Carried between 9:00-17:00, Monday through Friday excluding holidays will be answered within 30 minutes.
