Layers of Fear: Solitude is a Adventure Game for android download last version of Layers of Fear: Solitude Apk Full + Data for android from revapk with direct link Layers of Fear: Solitude brings the psychedelic horror experience of the fan-favorite franchise, Layers of Fear, to Daydream. Fully rediscence for the optimal VR experience, the player takes the first person's perspective of a psychologically disturbed painter who tries to complete his magnum opus while being thubed with ghastly visions and dilapidated To add to his growing madness, every completely submersible VR room in the Victorian mansion is constantly changing and spoils the new horrors and torments of mystery. Do you dare jump into the relentless madness to complete the masterpieces he's been trying to create for so long? Features: Psycheedel horror – A sense of madness means that every turn of your head can completely change the appearance of your surroundings. Victorian setting – Explore the wonderfully detailed world of games inspired by 19th-century masterpieces, architecture and decor. Original and classical art – Many works of original art and music envelope your senses; I'm sending you deep into a dark environment full of madness. Story-focused research – Only by exploring the environment can we reveal the terrifying detail of the painter's tragic past.
