* * * Last Chance * S-Size Digital Downloads only $19.95 * Last Chance * S-Size Digital Downloads only $19.95 * Important: Prophototogo provided photo services for Basic Training Posts as early as 2004 and completed in 2013 for Fort Jackson, Benning, & Knox.We did not photograph all soldiers or battalions and services connected to different schedules depending on installation and local conditions. Our photo services were planned at or near the end of the training, and photo packages were available to family members during family day activities. Prophototogo was not the same photography company that offers CDs, Yearbooks, or other similar products. No soldier names have ever been made or recorded as part of our service. We have photo galleries that include installation name, company name and graduation dates (or close dates). To find your soldier's picture, you will need to find the appropriate photo gallery that matches your soldiers' units and events. All image files are available to be posted, and there are no other pictures outside the gallery. Once in the right photo gallery, you will need to search each column to visually find your soldiers. There are usually two images available; smiling and smiling. (In some cases, there can only be one image.) If your soldier was not present during the photo session, we will not have his picture on the file. No make-up date was allowed. We are currently offering the last option digital image file at discounted prices. Other photo options may be available if good works. All photo galleries and options are subject to deletion or cancellation at any time and without notice. This may be your last chance to purchase a copy of the soldiers photos. Note: In some cases, digital image files are or may be corrupted over time. Family Day and Releases/AIT/Youth Sports We focus on capturing and providing products that retain the particular memories that mold recruits into American Soldiers.
