Fremont High School, long known for its tradition of excellence in education, has about 1475 students in Grade 9-12 and runs a block schedule. Among the graduation requirements of Fremont Public Schools, we expect each student to receive a well-educated education that includes a unique combination of rigorous academic standards and fascinating school culture outcomes. Fremont High School provides individual students with the opportunity to learn and grow through dual credit college courses, advanced placement college courses, and career technology education courses, and four years in linguistic arts. You can also take advantage of classes in world languages, art (music, art, theater), information technology, business, workplace, industrial technology/architecture, family life skills, and personal wellness. Add a strong alternative education program and a long traditionCourse, students will find success and be challenged. As part of our vision, we want our students to be prepared to become lifelong learners and good citizens in a culture of common responsibility. We must prepare our students for the 21st century. Our world is changing and constantly evolving. Our main responsibility is to provide educational opportunities for students to learn and maximize their potential in this changing world for all students. In today's world, we want each and every one of us to be able to think critically, create, and communicate in a technology-driven society. Fremont High School is working on the use of technology in the process of my students and the achievements of Fremont High School. 2018-2019 was an exceptional year for our activities. We celebrated several state championships including Boys State Cross Country, Boys C make Fremont High School one of Nebraska's top schools. I recommend you to contact me for ideas, suggestions and concerns. I welcome your involvement while working to provide students in the Fremont community with the best possible education.
