If you find inaccuracies in our frequently asked questions, let us know using our contact form. What's the best way to disassemble my IKEA product? Proven IKEA says the best way to disassemble your products is to follow the instructions in the opposite direction. This was useful (9780) There is a screw/fork/nail missing from my IKEA product. Where can I get a replacement? Checked Every IKEA has a section where you can take free screws, forks and other fastenings. This was useful (4970) I want to remove a wooden dowel from my IKEA product, but I can't get it. What should I do? Tested It is best to use a pair of pliers and use light pressure to remove the dowel. Do not squeeze too hard, otherwise the dowel will lose its grip. This was useful (472) English (United Kingdom) English (United States) Spanish (Latinoamerica) Cabinet assembly includes Tasker unpacking and unpacking your new wardrobe, laying out its assembly pieces and pieces, and putting it together according to the guide to assembling the wardrobe. Your Tasker also checks the final product to make sure all the components are safe and in place. In case you need help moving your furniture around, they can also help you with installing your newly assembled cabinet wherever, where you like for an easy setup. Here's what we can help you with: Free-standing wardrobe assemblyA most wardrobe assembly services include free cabinets in the form of flat bags. These include building armoires, self-contained cabinets, and a wardrobe with a dresser combo. You will also find several wardrobe options on the market that differ only in the type of door assembly it has, whether sliding, hinged, or mirrored. Open wardrobe assemblyT often come in different styles, allowing the user to customize what clothes or clothes can be stocked in it for easy access. Great for getting clothes in an instant, an outdoor wardrobe is best used for those whose clothes cycle regularly. Adapted closet assembly, installed wardrobe assembly, will unsuit a full-length wardrobe in the section of your house. It is clear that one of the most complex assemblies and installation services, it requires extreme accuracy of measurements and careful to work it out. If done correctly, it can provide a piece of furniture that blends seamlessly with your interior, interior, open space for optimal storage capacity. The hallway assembly is dependent on your needs, the hallway cabinets can be much thinner or wider than the average closet. A closet of this type give you extra storage space for coats, hats and shoes without taking too much of your room floor to walk. Best paired with sliding doors, they make it the perfect complement for corridors and walk-in closets. Need help assembling IKEA furniture? Don't worry about it! Look for the desired product in the search bar above, once you clicked on the desired product, you will find its editing instructions available on the product information page that you can download in PDF format.
