Although there are many exciting racing games like Crash of Cars or Drive Ahead, Crash Drive 2 is still preferred by many players. This game allows the player to collect coins and upgrade your vehicle. From this point on, the ride is also upgraded and will win the race. In addition, there are also many maps with different plots. Jump into a little more information about this game and you will find it exciting or not! Crash Drive Story 2Crash Drive 2 story is simple. The game falls into an open map with a lot of objects, ramps, or obstacles Tricks. When you drive around the map, events will be opened regularly in turn, giving you a place in the fight against other online players. By playing these events, you can quickly earn many points and valuable rewards. Also, take part in some occasional races or tag many objects with tricks. Developer: M2HPublisher: M2HRelease Date: February 7, 2020Tur: Arcade, Racing, Simulation, MultiplayerPlayers: 8 players maximumGame Size: 244 MBSupported Game Modes: Hand mode, TV mode, Tabletop modeSupported Languages: English, German, Spanish, Japanese, Dutch, Italian, Portuguese, French, Chinese Crash Drive 2 When you first start playing, the garage will usually appear to buy a run-down monster truck, the first car. After that, you earn more Cash when playing events or randomly collecting through each of the maps. He's waiting for you to buy many brand new vehicles, including ignition tanks, super cars, buses or rally cars. Typically, the level balancing and progress bars are at the top of the screen. If you want to level your car, you have to upgrade its stats and drive around. After leveling, you can unlock and buy new vehicles in the garage. In addition, each map is equipped with a progress bar to fill in by making events happen. When you find all the green rings, you can unlock new areas. By doing this, you will gradually upgrade your vehicle without telling you. However, customization options for your tool have a disadvantage. That is, some players may not be satisfied when driving. There are a total of four maps to explore, including Forest, Tropical, Canyons and Snow. The design of each map is quite similar, as are multiple mountains, loops, cheat points or other obstacles. You can jump and perform tricks such as rotating and rotating 360 degrees. Also, each map will have plenty of different exciting points. You can see a cruise ship sinking or forests burning, which depends on every world you're in. You can also find secrets, chests or green rings. As this game allows you to cross-play multiplayer mode, you may encounter random players. Every time it starts, you'll know by looking at the countdown timer. By default, players enter each event. But if you don't want to participate, you can honk your car horn. Events are often randomized like collecting money, stunt competitions, or the king of the hill. As you can imagine, after the event is over, a major prize, including cash, will be awarded to the winner. You can continue to buy more new cars, winning. In addition, some unique races will be organized around each map. Therefore, play privately and unlock unique cars You need to complete the maps as soon as possible. To be more specific, you will participate in the game mode of online tank warfare. Here, you can choose 5 tank options with their stats. It also allows you to change the color scheme or camouflage design. When playing this mode, you have to beat other tanks multiplying or floating with the ball. By winning the battle, you will earn more Cash and continue to upgrade or buy new cars/tanks. The Switch version does not use local multiplayer or extra modes. It is regrettable that this version lacks this feature. If not, it could be a definitive release for players. Also, menus make players feel a little clunky. Some players sometimes notice that they have encountered an error that does not allow them to select any options in the menu. To correct this error, they need to get out of the game and re-enter. Therefore, you should use more tips and tricks. Here are some helpful tips you should know. Each player wants to earn as much cash as possible. So, the simplest way to get cash is to read more chapters and stories in this game. By reading stories and finishing chapters, you can earn more resources. Applying Crash Drive 2 cheats can help you get enough keys. Also, this game allows you to move between stories. So, if you leave a story, you can start where they left off. In other words, you won't lose your progress. Cash is the two primary currencies in this game. However, you must spend 3 hours converting currencies to the Cash form. As you can imagine, you will use Cash to buy more classic and modern cars and costumes for your character. The best way to get more currency is to complete as many chapters and stories as possible. You can also link your account to Facebook. When connecting to Facebook, you receive a fair amount of Cash as a daily gift. Another way to make money is to invite friends through the Facebook platform. You'll also get currency even when you sign up. Using these tips and tricks, anyone can easily play this game. Keep in mind that it's easier to go too far when you have a lot of cash. After you have Crash Drive 2, you'd better check to see if the game in Game Inventory is automatically added, as the gift copy will be automatically added to your Inventory. This allows you to open the steam inventory in the Steam Community. If you can't find it, you can select the username on the Steam menu and select the step is the same as other versions. First, open your Inventory and select 'Gift'. Then select the Crash Drive 2 gift and select and 'Send a gift.' You can also email a gift to your friend or send it directly to a steam friend. In general, Crash Drive 2 MOD APK is a fun game to unlock new cars and tanks. Many players say they love the cross-game and online integration of this game. In addition, tank battle mode also brings more fun to play. Although it is only a mobile game, it still gives players a lot of better physical controls. However, the lack of local multiplayer is a shortcoming and is expected to fix later. In short, Crash Drive 2 is a fun and good game that especially not exceeds anything. Events will soon come to be completed immediately. For example, you need to tag the ramp or collect coins that have a certain total value. To control the car, it can navigate with the left and right buttons to the left of the screen, while the throttle, brakes and turbo are located to the right of the screen. One of the differences between singleness and also continuation 1 and 2 is the multiplayer system. You don't play alone in these 1 arenas. Random will meet other players from all over the world and from other platforms (PC, Mac, iOS & Android). This is where you will feel the game will be more lively because you are struggling to be the best. For example, when playing collection tags, it will strive to compete quickly with other players. The arena used in this game is really relatively small, but in this area you can easily meet other players. In terms of presentation and music, nothing is special. But if we compare it to the first sequel, Crash Drive 2 has increased significantly. This game is given for free, you can play directly via the link below and compete with your friends immediately.
