Who is the weakest hero of mobile legends? Mobile Legends has the ten weakest heroes. So you should avoid these heroes while you're playing. The names of the weakest players are Layla, Hanabi, Argus, Minsithar, Alucard, Saber, Eudora, Vale, Odette and Minotaur.Final Words Is every Mobile Legends player's dream to have the coolest skin of their favorite heroes! The good news is that the Mobile Guide has several methods to Legends.in, you learn how to get these skins without spending a cent! Overview The fastest way to get skins is to get a job and earn money to buy diamonds. But not all of us have a job or money to spend on skins! Fortunately, Moonton's devs are generous enough to give us a few ways to get skins for free. Here are seven (7) ways to get free skins on Mobile Legends.1. Lucky Spin (and Lucky Shop)You can try your luck with lucky spin and get the chance to win free skin. If you don't, you'll still get other rewards like Battle Points, Emblem Fragments or Hero Trial Packs.You can also get Lucky Gem Fragments from Lucky Spin awards. These Lucky Gems can be used to redeem skin from Lucky Shop. The Lucky Spin page is located in Shop > Draw > Lucky Spin.2. From Skin FragmentsAside battle points and tickets, another currency in Mobile Legends is Skin Fragments, which can be replaced with skin after collecting a lot of them. You will need about 75-250 fragments depending on the skin. Just go to the Shop > Fragments tab to check the available skins that you can buy from the shrapnel. There are two types of skin fragments: Premium iHfragment and rare skin fragment. Pieces of skin can be obtained from a variety of methods, including the Daily Login, Magic Wheel, Lucky Treasure Recharge and Skin Gift. I recommend checking this page for more information.3. Rank Up Reward at the end of the season Other way to earn free skins is simply to play punished games and increase your ranking. If you finish the season with at least a Master ranking, you'll get the exclusive skin of the season when the season ends, in addition to tickets and battle point rewards. The season usually lasts 3 months. This is another reason why you should continue to equalise your value. Check out our guide on how to position yourself quickly in Mobile Legends.If you're really dedicated to getting these skins, you should always sign in once a day to claim your daily login rewards. While you really don't get real skin, you can get bits of skin and flags that, as you now know, can be swapt for skins in the Shop.In Supplement, you get the Deluxe Skin Trial Card (1 day) on the seventh day.5. Events I always kept an eye on what happened in the game! Often there are certain events where the game only gives you free skins. This is another reason why should try to log in daily and clear all the tasks of the game.6. Live StreamingDid you know you can get free diamonds if you stream? Through mobile legends' live streaming feature, if a lot of people watch you and enjoy your stream, they can give you diamonds. You can then use these diamonds to buy these skins.7. Join the free donations of the communityIf you watch a lot of Mobile Legends videos on YouTube, this is another way to get free skins. Beware of YouTubers hosting skin donations. Usually you just have to like their videos and subscribe to their channel to participate. Also, if you enjoy their content, think of it as a way to give back and help them grow their community by following!8. No, no, no. Ask for gifts from friends! Finally, the last method, but probably the hardest, is to ask your friends to donate skin or two to you! ConclusionAas learned, there are several ways to get skins for your heroes in Mobile Legends, and you don't even have to open your wallet! What methods have you worked hard to get free skins? How many skins have you already collected just by making these tips? Drop the comment down! Below!
