A: No. There are no fees related to Bluesky Auto Finance and there is no obligation to accept the terms of any financing offered by one of our participating lenders or car dealers. Financing terms and related financing costs from our participating lender and merchants may vary depending on the viability of your personal credit. A: After you complete our simple online vehicle financing form, your information is sent to our direct car finance partners and/or a participating dealer on our network. Our partners specialize in helping customers who have experienced credit problems and will accompany you through the purchase process in a friendly and hassle-free environment. A: You can view the status of your request at any time by visiting our status page. Please note that we may be able to take 24-72 hours to provide all your funding results. A: Interest rates vary depending on a number of factors, including your amount, your credit report information, and the type of vehicle you selected. Upon completion of your car financing request, and if approved, a credit processor will contact you and provide specific details regarding interest, monthly payment, loan amount and other financing terms. You must not be obligated to accept the terms offered to you. A: It depends on who approves you eventually. If you have good credit, you may be able to get automatic financing with little or no money down. If, however, you've had some credit issues, you'll likely need to have some kind of down payment typically worth 10% of the car's sale price or \$1000 – whichever is higher. A: It depends on who approves your car financing request. If you get approval for financing through one of our direct car finance partner, you can go to any franchise car dealer in your country to buy a car. However, you get approval through one of our participating car dealers and you will need to purchase a car from them – but remember, our participating car dealers have a large selection of new pre-owned cars, trucks, minivans, and SUVs to choose from. A: Most car finance companies are able to process your application immediately, or minimally, in less than 24 hours. Be prepared Any documentation is required as proof of income, car insurance or other conditions required by the lender. In most cases, our customers can purchase a car with 24-48 hours of processing time. Get to work now! A: We understand, not everyone has perfect credit. BlueSky Direct Car Finance Partners and participating car dealerships specialize in providing car financing to people who have had credit issues in the past. Get your free credit score A: Absolutely. Any information you provide us is protected by encryption and security technologies. Your information will only be disclosed in accordance with our Privacy Policy and/or entities necessary to process your automated funding. How do I contact Blue Sky?
