Whether you're hosting a casual Sunday brunch for a few friends or an elaborate Thanksgiving feast for the whole family, a perfectly stacked napkin can add a special touch to any place that's a step up from your daily meal. In addition, you can use laundry as a way to add color to the dining room or as a place to place name tags or dishes. Next time you're planning dinner, promote it with one of these nice napkin folding ideas from our friend Jenny W. Chan, crafty brains (and beautiful hands!) behind the YouTube channel Origami Tree. Before the day of your event, stock up on square cloth napkins. Clean, ironed laundry also folds sharper. When you're ready, find a flat surface that decomposes and look at one of the video videos below to get step-by-step instructions. With these clever ideas and useful guides, you'll be folding the perfect napkins for your party in no time. Advertising – Continue reading under Turkey Napkin Pull this trick for your best Thanksgiving table yet. Note: You'll need two cloth napkins to make a bird for each setting location – but both come in in case when it's time for a spoonful of sauce! RELATED: 30+ Easy and Elegant Thanksgiving Centerpieces Floral Napkin Think Outside the Vase with this special twist. Take a cloth napkin in the color of your choice and fold it into a square. Then turn it over and fold it in the corners. Finally, pull out the bottom edges and you have a beautiful flower. Rose Napkin Give your table just a touch of romance with beautiful roses which is definitely wow. For this way, take a red washable serviette and fashion it into a long, thin roll. Next, hold the left corner down to make a right angle. After that, start turning the fabric into a rose. Finally, turn it over and tuck the loose ends into place. RELATED: 30+ Perfect Valentine's Day Gifts for Your #1 Guy Watermelon Napkin Fun, functional, and fast to make your picnic not complete without it. Red and green disposable wipes are the way to go. Once you've layered the colors on top of each other, fold the two hangers into the shape of a triangle. Do not forget to draw on small seeds with a black mark. Crown Napkin Crown design is a classic that should be done at least once during the holidays. The classic red napkin will do wonders. Once you are done folding the cloth, twist the left and right sides so that they meet in the middle and tuck into each other. Then you fold on the sides to reveal the most royal crown. RELATED: 40 Christmas table decorations for your holiday dinner Atrium Lily Napkin Take your party to the next level with this seemingly easy technique. You will definitely want to use square cloth napkins, so the shape holds better. To create an atrium, create three layers by folding the points you have created into each other. It's a lot easier than it looks! Double Star Napkin Get double glam with a clear double star in any environment. To create this look, you will need square napkins in the color of your choice. After a few quick folds, tightly tighten the sections between the folds until they form a V shape. Once you reach the desired shape, let the napkin unfold to this beauty. RELATED: 50+ Genius Summer Party Ideas for an easy fun Bird of Paradise napkin Add a few of them to the table to make it more varied – and fun. All you need are medium-sized napkins in yellow to get started. After a few folds you will find your diamond shape, which allows you to create flaps, a.k.a. playful feathers. Fish Napkin There certainly won't be any fight at the dinner table These guys are splashing. After a minute or two of folding, you will have the most adorable little fish. Add a touch of fun using polka dot paper napkins. This content is created and managed by a third party and imported to this page to provide users with their email addresses. You may be able to find more information about this and similar content on piano.io Alpha Smoot Know when to pack 'em, when to twist 'em up, and when to go for fun. We're talking napkins, of course. They're the easiest and most elegant way to dress your place-setting and add a great portion of personality to your desk, too. To inspire you, we present more than a dozen ways to inflate an ordinary napkin. Alpha Smoot A beautifully folded napkin sets the stage for the food you remember. While the debate is out about whether a formal dining table is the conventionality of the past, each hostess knows the inherent value of napkins. When guests sit down at the table, they serve both a practical purpose – by tinging dishes, displaying menus – and purely for decorative taste by completing the theme in the setting of the place. Napkins can be customized to suit any celebration, at any time of the year. One of our simplest ideas folds a napkin into a nice bow tie. Next, fold the napkin into an envelope that contains everything you see fitting: place a card, menu, or farewell favor to be cherished after the event is over. Consider the seasonal holidays as well. For easter brunch, support the floppy-seedy bunny between decorated eggs and spring flowers. On Thanksgiving, replicate the symbol of the feast: turkey; You will accordion-fold and scatter one napkin into a majestic-looking row of tail feathers. On Christmas Eve, fold a little Tannenbaum custom with a green linen napkin and a paper-perforated star that spells the name of your guest. They can even be personalized with embroidered handwriting, which is an inheritance for family reunions in the coming years. Remember: It is a good idea to starch and iron napkins before each folding; this helps them to maintain their shape. For these ideas and more, we present step-by-step tutorials on a dozen ways to blow out an ordinary napkin. Advertising ad by Graham Pollack Here, quite a bow adds playfulness to the table. To do this, spread out a napkin for dinner, lying flat. Fold the opposite sides so that they meet in the middle. Then fold horizontally again in the center to form a narrow, ribbon-like shape. Next, fold the short ends so that they meet in the center. Cinch in the middle with a ribbon in coordinating color and glue at the back. Voila! Alpha Smoot Get Angular Pocket Napkin Fold How-To This is easy as one, two, three! Start with a square dinner napkin and give it a three-way fold for an elegant oblique pocket. It is useful for reshouting cutlery, instead of cards, or printed menus. Alpha Smoot Ad Get Napkin Fold How-To Fold napkin in thirds, wrap around the board, and tuck the ends under-you're done! Pair a botanical accent, like artificial or dried branches of spray-painted gold, with an unpretentious belt. Get The Fold The-To Green Four-Leaf Ticket is not limited to triplets and elves. With your epic extension, fold these four-leaf napkins. Chelsea Cavanaugh Some magicians pull rabbits out of hats; others conjure them up from the laundry closet. Do a little trick (with our instructions) and - presto, chango - you have prepared a stylish Easter table that allows guests to know that they are some special. First, fold the napkin into thirds. Then fold the lower corners upwards to meet in the middle and form the shape of a paper plane. Flip the napkin to make the seam facing the table. Fold in the outer edges meet in the middle. Place the eggs on a pointed tip, tie the ears above it with a ribbon and nest the eggs in place. Advertising Advertising Ryan Liebe Get Carrot Napkin Stencils at the Table for Martha's Easter Brunch, crepe paper sheets sprout from napkins rolled to resemble purple carrots. To recreate the appearance, fold the square napkin in half, then halve again to form a smaller square. Insert the napkin into a narrow cone and tuck the ends. Use our template to cut out the shapes of sheets from green crepe paper. Roll and tuck them into the open end. Get Turkey Napkin Fold How-To For Thanksgiving, this triple-napkin turkey with fanning tail is a bold statement from the moment your guests sit at the table. Get a Christmas tree napkin fold-it to make things cheerful at your holiday table with table tannenbaum. This one - with its inverted folds resembling evergreen branches - ends with a star topper that serves as a card of place. Advertising Johnny Miller Some holiday parties require every serving meal you own – and then some. Improvise the bread basket with a large rectangular cloth napkin or towel, preferably starched linen (the tighter the fabric, the better it will hold its shape). Put the fabric horizontally on the table. Fold the longer side up, a little more than halfway. Fold the top half down in the same way, so that both edges overlap by an inch. Turn it over, and fold the shorter sides in the meet. For added security, pin in place. Flip again and insert rolls or slices of loaf into the hole. Graham Pollack Simple but sophisticated, this design is perfect for sealing a printed menu, party kindness, or... Who knows? It's up to you. Lift the flap secured by a wax seal with the family initial, and your guests are amazed by the hidden surprise. To fold a square envelope in the style of an envelope, fold it into a triangle, tuck twice both pointed ends, and then tuck the top flap. Flap.
