The game imitates school life, which is very interesting and inspiring, as well as make people think deeper. The game must guide and control the main character who is a 15-year-old naughty teenager to gain new knowledge, explore the city and live on. Now let's start your high school career and enjoy the game. Bully: Anniversary Edition is one of the most popular games in the Rockstar lineup. And the port on the Android platform also became a real hit. The plot is based on the life of a dysfunctional schoolboy Jimmy Hopkins. This is what you will manage throughout the game. The main character will face many injustices in the school. Corrupt teachers, arrogant students - this is only a small part of the disorder that occurs in the educational institution. Your job is to prove that you are not just a whipping boy. You will not be a victim, but you will do everything to put in place arrogant teachers or arrogant students. You definitely liked the way you can play everything and everything here. The game is not without its love line. There is an opportunity to hook one of the local beauties. Gameplay Here is at the center of a relationship only brute force. By the way, it is not only schoolchildren who have become adherents of cruel rules. Player Bully: Anniversary Edition will try on the skin of a young bully. It must adapt to the new environment in order to continue to commit atrocities with impunity. The user will have to push away bullies, set their own rules, steal other people's things and get dirty in the most sophisticated ways. This is just the tip of the iceberg, but the player has many other opportunities to prove himself. The main thing is that your power was recognized by schoolchildren of different groups: athletes, nerds, pitching. It is necessary to act comprehensively, that is to gain high popularity at all at once! The system of vacancies In Bully: Anniversary Edition our hero must participate in the dismantling of the school, go to classes, be responsible for pranks and truancy (teachers prescribe punishments). You are given the opportunity to write words, solve problems and put chemical experiments, show sports achievements. The result of the task depends on the timeliness of the execution; The watch can be seen in the corner. Time tracking is especially important after the lights are off. Gameplay Fighting Bullies, adhering to your own rules, stealing things, doing dirty tricks in class using chemical reagents is just a small part of what you have to do in Bully: Anniversary It is important to gain popularity among different groups of schoolchildren (nerds, athletes, athletes, just ordinary). Moreover, it will be necessary to act not selectively, but comprehensively - it is necessary to gain high popularity among all! The game implements a fascinating system of tasks, which include participation in showdowns with other students, attending classes, execution of punishments from teachers for truancy and pranks. Speaking of classes. Just download Bully: Anniversary Edition on your Android device, and you can solve puzzles, do words, participate in sports competitions, put experiments in the chemical room. A feature of the gameplay is also a clear reference to tasks on time. The watch is always located in the corner, keeping track of the time to which it is especially important after the lights are turned off. You can Bully APK Anniversary Edition for free download by clicking the download button below at the bottom of this page You can also download GTA San Andreas Apk.For Rockstar, Bully is a kind of faction exemplary. Despite the fact that it occupies a unique place in the hearts of many people, but contrasts with any likeness of GTA and Red Dead, it does not have this kind of gravitas. However, there is still a fabulous leak here. He is elegantly composed, very much acted, and demonstrates the scope and soul that Rockstar has proved to be famous. It's somewhat harsh around the edges as you'd expect from a round of this age, but it's still fascinating and noteworthy to look back at the historical backdrop of one of the world's first developers. The diversion tells the account of the understudy at the Bull Academy stands. Now he is grieving, he was abandoned there by his mother and her new husband, and then he fundamentally went into battle for himself. It's also a place where you come in. The controls have moved to the touchscreen pretty well. You have a stick on the left to move around and stick on the privilege to look around. A couple of customized touchy catches sit in the right corner of your hand, and napkins allow you to choose a weapon. The innate level of leakage means you're never that stressed over turning up or down, and auto-focusing on the frame keeps much of a mess with your way to watch the gameplay of Bully Android APK just visit our Androisgamespot channel or visit YouTube.
