To make an appointment, simply contact your network provider, identify yourself as a Member of Aflac or Argus, and give the service provider's office the name of your plan, the date of entry into force, and the member's identification number. When you arrive at a scheduled meeting, please be sure to provide a participant's ID and photo ID. This online isp directory is only available for reference purposes. We make every effort to ensure that we provide current and accurate data to our members; however, supplier information changes frequently. The latest changes may not be reflected in the data presented here. Please contact your service provider directly for the most accurate demographic information and participation information. At Argus Dental and Vision, our most valuable asset is the partnerships we develop and develop with our network of dental and visionary suppliers. Our service provider liaison team is here to support you with personalized customer service, answer your questions about the benefits of a dental plan and vision plan, and help you provide quality care to our members. We are always looking to add outstanding suppliers to our growing network. If you are interested in joining the Argus Dental and Vision network as a dental partner or vision provider, please contact our service provider's liaison office for free at (877) 864-0625 (option 5) to talk about participation, or email us at the links below. The Dental NetworkVision NetworkOur Provider provides you with access to patient benefits, claims history, entitlement checks, and more so that your employees can easily get all the information they need. Enter the Provider PortalAs part of our quality improvement program, we mail supplier Satisfaction Reviews a random selection of participating dental and vision providers every quarter. We have consistently received a 5-star rating in CAHPS (Consumer Assessment of Health Care Providers and Systems) quality measurements. Overall, we have an average of 95% member satisfaction, and with over 705,000 members - that says a lot! Argus Dental and Vision, Inc. has a unique history as an insurance agency founded by a dentist and managed by insurance professionals with practical experience in this field. Since 1983, the company has been offering cost-effective dental and visionary plans to consumers. The Argus executive team shares more than fifty years of experience and industry knowledge. Providing excellent customer service is at the heart of the company's philosophy, and its commitment to quality products extends to options offered under its benefits packages. Argus Dental Insurance Special Recognition Company has been accredited by the Accreditation Association of Outpatient Medical Care for quality care. In order to promote healthy goals for Florida youth, Argus also partners with Healthy Kids Corporation will offer affordable dental care to children in Florida. Licensing the company looks like this for both Florida and Texas: Third-party Administrator of the Pre-Paid Limited Health Service Organization Discount Medical Plan Organization in New York, Argus is licensed as a New York Independent Practice Association. Argus is also working with dental networks across the country to provide its members with access to more than 100,000 participating providers in all fifty states. The National Committee has been given the authority of dentists through the Argus nationwide quality assurance network, as well as the Centers for Medicare and Medicaid Services. Dental Benefits and Coverage with Argus Plans Argus offers two dental benefit programs: Argus MasterPlan and Argus SmileCard. The company offers a comparison chart listing the pros and cons of each card on its website. In general, both plans include features such as personal dentist selection, zero dollar deductibles, no annual highs, no waiting periods, no claim form and no prior permissions required. Dental plans also offer discounts on vision care up to 60 percent of the discount on more than 4,500 providers. Argus dental cards act as a combination of dental insurance and dental discount card, and plans can be purchased at an individual or company level. If you enroll in the Argus plan through work and later get a new job, the company allows you to switch to an individual plan. The cards do not cover all dental services, but if you need a dental service that is not specified in your plan, then you get up to 25 percent of the cost of the service using the card. Keep in mind that Argus dental plan cards are only available in certain states. MasterPlan is only for Florida residents. SmileCard for residents of the following states: Alaska, Arkansas, Colorado, Florida, Georgia, Idaho, Kentucky, Massachusetts, Minnesota, Mississippi, New York, North Carolina, North Dakota and Ohio.
