Chincoteague bay field station wallops island va 23337

In light of current events related to coronavirus, CBFS will be closed until further notice. The health and safety of our participants and employees is our number one priority. We carefully monitor the status of COVID-19 and update protective measures and policies as appropriate. Our staff takes all necessary cleaning precautions in our housing, food service, and lab/office space, so we will be able to restart the programming as soon as possible. Continue to monitor our website for up-to-date information about CBFS programs. Remember to wash your hands often with soap and water, do not touch your face, and practice safe distancing! Upcoming Programs & Events: Consider befi keeping cbfs or making a donation to help support our mission. CBFS sends out monthly e-newsletters that keep you up to date on upcoming programs, events, and news from the field station. Click the button below to subscribe! Subscribe to our E-newsletter This guide is a comprehensive overview of the fun activities included in our programs as well as fees and schedule for the year. Don't miss the latest updates and options for your practical, feet wet adventure! Chincoteague Bay Field Station is currently pursuing a proposal to work with a community member to relocate and preserve the Franklin City train depot. We are optimistic about this possibility and will continue to keep the community informed of the status of the building. Read the Eastern Shore Post article here. Full Job Description FOR MORE INFO CONTACT: Kelsey GustafsonDirector of the University & Research universityandresearch @cbfieldstation.org(757)824-5636 x 105 Chincoteague Bay Field Station is also proud to offer college internships! Chincoteague Bay Field Station is an equal opportunities employer. In accordance with the Americans with Disabilities Act, the association will provide reasonable accommodations to qualified persons with disabilities and encourage both potential and current employees to discuss potential housing with the employer. CBFS is dedicated to the goal of building a culturally diverse and pluralistic staff engaged in teaching and working in a multicultural environment, and strongly encourages minority applicants. Chincoteague Bay Field Station (CBFS) is dedicated to providing outstanding interdisciplinary, educational and research opportunities for all and does not discriminate in providing services on the basis of race, color, national origin, age, disability, sexual orientation, gender identification or expression, or any other basis prohibited by law. Chincoteague Bay Field Station is an environmental center and residential research station on Virginia's Eastern Shore. For decades, CBFS has taught and inspired thousands of children, college students and adults about marine science and coastal ecology in the Mid-Atlantic region. From horseshoe crabs to sharks, our programs educate participants through field-based, hands-on experiences in locations located on the islands of Chincoteague, Assateague, Wallops and beyond! Chincoteague Bay Field Station is a great place to plan a family vacation, school field trip or outdoor adventure! Some of their programs include Family Camps, Road Scholar Programs, Birding Trips, Bike Tours, Kayak Tours, Photography and Folk Art Workshops, Day Camps, Oceanic Research Boat Tours, School Field Trips, College Summer Courses and Summer Camps. The wide range of programs offered by Field Station is amazing! Chincoteague Bay Field Station can even develop marine science training programs to suit your group's needs. The beaches, marshes, coves, maritime forests and off-shore waters of Virginia's Eastern Shore are field station classrooms. Their facilities include new residential suites, dining room, lounges, auditorium, classrooms/meeting rooms, research labs and flat bottom boats and oceanic research vessels. Chincoteague Bay Station offers a wonderful range of options to meet your educational and/or research goals. Since 1968, Chincoteague Bay Field Station has educated and inspired thousands of children, young people and adults about the marine and coastal ecosystems along the Mid-Atlantic region through fun and scientific place-based, hands-on experiences. You can be next! For a complete and current program list visit field station's website or to sign up for an upcoming event or program, please contact Chincoteague Bay Field Station at 773-824-5636. LEARN MORE Summer Camps 2020 Summer Camps: CBFS summer camps are the perfect way to jump back into the open air! Day camps run Monday to Friday and introduce campers to a variety of coastal ecosystems and the interesting animals that live there. Accommodation camps allow your camper to create their own personal marine science adventure! Choose from a variety of classes ranging from fish biology to coastal crafts to kayaking and research-based boat trips. Check out the dates and prices for CBFS summer camps at www.cbfieldstation.org/youth-camps Friday Adventure Series: CBFS is excited to introduce our Friday Adventure Series! Join us for a half day program that delves deeper into the science and natural history that makes the Chincoteague region unique. Kayak, bike, or explore the marsh and beach with us - adventure awaits!
