Glosbe is home to thousands of dictionaries. We provide not only a Persian-English dictionary, but dictionaries for each existing pair of languages - online and free. Go to our homepage to choose from the languages available. MemoryGlosbe's dictionaries are unique. At Glosbe you can check not only persian or English translations: we also provide usage examples by showing dozens of examples of translated sentences containing translated phrases. This is called memory translation and is very useful for translators. You can see not only the translation of the word, but also how it behaves in the sentence. Our translation memory comes mainly from parallel enclosures that were made by humans. Such translated sentences are a very useful addition to dictionaries. Statistics Are currently 323,011 phrases translated. We currently have 4,403,059 offers translated byCollaboriaP us in creating the largest Persian-English dictionary online. Just log in and add a new translation. Glosbe is a collaborative project and anyone can add (and delete) translations. This makes our Persian English dictionary real, as it is created by native speakers who use the language for each day. You can also be sure that any mistake in the dictionary is repaired quickly, so you can rely on our data. If you find any error or you can add new data: please do so. Thousands of people will be grateful for this. You should know that Glosbe does not keep the word, but rather the idea of what that word means. Thanks to this, by adding one new translation, dozens of new translations are being created! Help us develop Glosbe dictionaries and see how your knowledge helps people around the world. 什么是话题 无论是一部作品、一个人,还是一件事,都往往可以衍生出许多不同的话题。 将这些话题细分出来,分别进行讨论,会有更多收获。 Hayim, Suleiman. In addition, the French word -MERCi - is sympathetically used in Tehran and major cities of Iran. The claim that something is true or factual. The claim has many meanings, but the SAT, it most likely relates to the main point of argument - something that the writer tries to convince you to believe. More than one claim in the argument may exist, but reading excerpts on the SAT is likely one central (or underlying) claim, which is supported by different types of evidence. The argument is the name of the game on the new SAT. In the case of the new SAT, the argument is a reading excerpt (with or without an informational graph) that makes claims and supports this claim with evidence.
