Enjoy a unique and satisfying city building game when you get involved in the activities in Springfield. Learn more about this amazing game from EA with our reviews. The storyThe story begins when you find Homer working in the factory. And for no reason, he's causing any trouble again. But this time things are quite serious as he has overloaded the nuclear reactors and is causing a severe meltdown. The fire quickly spread across the city, causing an extreme explosion. People were forced to leave their homes and properties. All were evacuated from the city (or in a way) before being consumed by the fire. But they've lost their city again. Now it is your job to join Homers in his adventure to rebuild the city, as well as reunite him with his family and friends. Discover a unique city building game where you have incredible interactions. Enjoy interesting stories and events as you advance through the game. Here you will find all the exciting features that the game has to offer: Are you looking for an informal game that you can enjoy whenever you want? Look no further like The Simpsons Tapped Out offers extremely simple taps and play controls. You will spend zero hours getting to know the controls. And the rest of it be fun and enjoyable gameplay. In addition, you will also be introduced to an intuitive interface that allows you to quickly learn about all the options available. At the beginning of the game, you can only play as Homer since, well, all other characters have been blown away due to the nuclear explosion. Unlock new characters by rebuilding the city, starting with working to get your home reconstructed. When you're done with specific tasks, unlock new characters for your city. And unlike other city builder games, each one of your characters will be playable. Just tap and select them to make them work on specific tasks. And in the meantime, you can also enjoy the epic jokes or complaints that they do. Reunite Homers to her family with Marge, Lisa, Maggie and Bart. Unlock and collect The Simpsons' favorite characters like Barney Gumble for Fat Tony. Play like any characters in the series you want and enjoy their own stories. In addition, you are also allowed to dress up your characters using varied clothes and costumes. For the first time, players will have the chance to take control of the entire city. Control the lives of all the people of Springfield when you bring them back to the city. Choose what you want to do with them from letting Homer clean the pool all day, having Apu to work an extremely long shift, or even letting Maggie become president. Shape the fate and future of all citizens in this interesting city. But first you need to rebuild the ruined city first. Start by picking on Homer and make him work extra hard to clean up the mess. Unlock new characters and bring in new workforces. Invite them to gather all the resources needed to rebuild and expand the city. The game has a large undiscovered map that you can slowly unlock to collect new content. Choose your path and let Springfield thrive. In The Simpsons Tapped Out, players will be introduced to exciting gameplay with brand new stories. Experience completely different adventures as you play through the different stories written by the famous The Simpsons writers. Enjoy fun moments in this life-ruining game. In this interesting city of Springfield, you will experience unique aspects that you can never find in other places. And although most of the city was destroyed because of the nuclear explosion. You will still have your chances of enjoying varied activities that are extremely exciting. Causing chaos with Homer's ideas, survive the city as the monsters invasion approaches, and so on. And to allow players to earn more prizes other than just playing through missions or stages. The game also offers many different achievements that you can choose to complete and earn your deserved prizes. The active players in The Simpsons Tapped Out would certainly benefit from their dedicated attitude. By logging into the game frequently, you will have chances to unlock daily bonuses that can be used to help the city. In addition, you can check the other two to see if the need for your help. Help them with daily activities and collect your rewards. The game is currently free to play, so players can easily access all the content without paying anything. Therefore, you can always get your hands on this amazing Simpsons game just by downloading and having it installed on your mobile devices. Known a maker of a variety of tactical titles, racing games, puzzles, ... the reputation of EA's reputation is unquestionable. The Simsons have come a long way since the release of The Sims on the legendary PC platform, a product from The Simpsons. Shortly after, the amount of player interaction with the game has increased dramatically. This is an exemplary demonstration of prestige and EA. All previous products, including now, still create a stable, stable position. The success of EA comes from all of them, and The Simpsons: Tapped Out is the same. Correctly, the style of the city The Simpsons will provide a great experience for the player. Like a Simsons game under their heels, The Simpsons will provide players with an immersive city-building experience. Based on the idea and action of The Simpsons movie, players will be introduced to the beautiful yellow skin, fun. At one point, Simpson's father Homer accidentally disappeared in the town where the family lived. The player will rebuild the city of Simpsons with Homer quickly. Although the city of Simpson family, however, players only need to build arbitrarily as long as it suits personal preferences. A complete city must build a variety of buildings and services, full of both physical and spiritual. In addition to rebuilding the city, players must perform various tasks. It may be finding other members and friends in Springfield. Each mission is completed. Players will receive any rewards. Using the finished product, players will be better supported later experience. Not only build and do tasks, players can grow and raise animals just like popular farm games. As the game progresses, players will have more resources to build the city. Completed workers will receive a fair compensation. As a result, all activities go smoothly and smoothly. Interaction and communication with other players is also a factor that EA wants to bring to the player. By constantly talking to other players, players will receive valuable rewards. Working together to build together is also a great way to share with your friends. Each person has their own style, proving their personality to other players. Your experience and knowledge of the game will increase dramatically. Graphics The Simpsons: Tapped out the game owns the same 2D style as the movie of the same name. Photo details and subject are expressed in many colors, carefully and carefully. Extensive entertainment area, extremely many beautiful landscapes for players to enjoy. The console setup is easy, easy to understand. Focused mainly on hand gestures, the area used for the experience is highly optimized. The effect is smooth and flexible, but 2D, so the game creates depth for the experience space. The Sound is extremely animated, also a support element for the game a lot. As a fan of urban construction, surely the Simpsons: Tapped out won't You. Thanks to the success achieved by its predecessor, EA has the flexibility to inherit the elements for its pet The Simpsons. This is also a game from EA, surely the quality will be extremely high. More than 100 million people have appreciated and experienced, let's get together in the fun atmosphere of The Simpsons. Simpsons.
