Photo: Free-Photos/Pixabay A book held dear by the estimated 3 billion Christians in the world, the Bible is really a fascinating book, even for some who won't consider themselves at all religious. Undoubtedly one of the oldest books in the history of the world, even today you can walk into your local bookstore and by a copy. But before the invention of print journalism, that was not the case. In fact, there is not a Bible available for people to use in their homes. The only copies will be handwritten and owned by religious leaders. Today, more than 100 million copies of the Bible are sold each year. And certainly there are not as many ancient manuscripts in the world as it does. If you're a believer, it's the word of God, given to man to help guide, rebuke, teach, guide, and more. It continues to have a profound impact on the world. In countries where Christians are persecution, it can cost them their lives if they are found in possession of one. Just how much do you know about Good Book? I found Take Command 10.0 after being frustrated with the poor command line in Windows. I found out it gave me what I wanted, and a lot of things I didn't know I wanted- but now I definitely do. Take Command is a great tool for anyone who regularly has to interact with the Windows command line (You know, that little window with C:\ reminder). It integrates its own console window (compatible with standard but supported command prompts) and a graphic file discoverer. Take the command also provides a basic development environment, including a debugginger, for the batch type files you can create with it. It's not visual studio, but it doesn't need to be. For my purposes, being able to open multiple command shells in a card window, flip between them, and easily edit commands sent to spoken windows is more than enough, but the real heart of Take Command lies in its improvements to the weak Windows batch script language. While keeping the terse, sometimes confusing syntax of mass programs, Take Command adds in the actual control structure, hundreds of functions, process screens, and even an Internet connection. Take Command is a powerful tool for programmeers, system administrators and serious welders. Casual business or home users probably won't get enough out of it to justify the price. Anyone who regularly gets down and dirty with command prompts, though, will find it incredibly valuable. It can feel like a welcome challenge, enlightening to find and focus on verses (or chapters) that are less frequently taught, or that most people are unfamiliar with. That said, it is never a bad idea to have the most common Bible verses on top of the mind when talking to someone less familiar with the Bible or someone who has just begun their journey in their faith. Even if you remember all of them as a child in Sunday school, it's easy to ignore (and thus forget about) the most common Bible verses – even if you think you know them all by heart. So whether you're new to the Bible or you're just looking to brush up on the most common and frequently cited verses that exist, here are 13 people's favorite Bible verses. 1 of 13 John 3:16 For God so loved the world, that he gave birth to his only son, that anyone who believed in him should not perish, but have eternal life. 2 of 13 Rome 3:23 For all has sinned and fallen short of the glory of God... 3 of the 13 Celestial Bodies 23 Jesus was my pastor; I wouldn't want to. made me lie down in the green pasture: He led me beside the static waters.. 4 of 13 Jeremiah 29:11 'For I know the plan I have for you,' declares the Lord, 'plan prosper you and do not harm you, plan to give you hope and a future. 5 of 13 Philip 4:13 I can do everything through who gives me strength. 6 of 13 Romans 8:28 And we know that in everything God works for the benefit of those who love him, who have been called according to his purpose. 7 of 13 Proverbs 3:5 Trust in Jehovah with all your heart and not on your own understanding. 8/13 Creation 1:1 God originally created heaven and earth. 9 of 13 John 14:16 Jesus replied, 'I am the way and the truth and life. No one comes to the Father except through me.' 10 of 13 Romans 6:23 For the wages of sin are death, but God's gift is eternal life in our Lord Jesus Christ. 11/13 Philip 4:6 Don't worry about anything, but in all things, by prayer and prayer, with thanksgiving, express your prayers to God. 12 of 13 Romans 12:2 No longer fits the pattern of this world, but is transformed by the innovation of your mind. You will then be able to test and approve of what God's will is—his good, pleasant, and perfect will. 13/13 Duty 18:10 For I am with you, and no one will attack and harm you, because I have many people in this city.
