Welcome to SCHOOLTOOL at NERIC Welcome to the Stanley G. Falk Veli Portal! This is a tool designed to improve parents' participation and communication in their children's education. We encourage you to use the Parent Portal regularly and partner with us in your child's education. The following are links and descriptions of the tools provided. If you have any further questions, Support@falkschool.com email your child or contact your child's teacher. If you need to update your contact information, please contact your child's teacher. Parent Portal Registration SGF.pdfSchooltool Startup Parents.pdfSchoolTool Parent Portal Guide.pdfSchooltool Mobile App- parents.pdf If you need technical assistance with Schooltool, please keep up to date with what's going on in our schools by downloading the main office or email Support@falkschool.comMobile app! Make sure it enables push notifications so you never miss an alert or update from the school. Download Falk App- iOSDownload Falk App- Google Play (Android) This search form uses an instant search feature. As you type, search results automatically appear under the search area. When you enter the search terms you want, use the tab to navigate through the available results, and then press enter to open the selected page or document. Welcome to the Veli Portal of the Geneva City School District. This SchoolTool portal lets you keep your kids' progress at your fingertips with information about grades, assignments, attends, and schedules. To register for a Veli Portal account, the application form must be filled out (see link below). Once completed, please bring the application to the Regional Directorate with identification. Geneva takes student information security very seriously and creates an account only for those with verified credentials. Below are instructions to help you get started and find your way. Once an account is created, it remains active for the duration of your students' ongoing activity. Fill out our online Parent Portal Application Request for first-time access to the Parent Portal. Password and Login go to the SchoolTool website. In the home box that says username, type the email address that you sent to the school district. In the Password section, enter the password you received when you signed up for your SchoolTool account. Click Home. After you sign in, you'll see HOME. Click the Account tab to change your password to the one you selected. Follow the prompts, and then click Change Password. Click the Navigation STUDENTS tab on the SchoolTool Veli Portal. Click the blue arrow in front of your child's name to view their information. This will allow you to access your child's information, and Charts. Classes you will be able to see various items by clicking on the arrows down in the boxes. (If you see None next to a class, it shows that the teacher doesn't keep an online notebook). Assignments You can view various items by clicking the down arrows in the boxes. (Some teachers may not be able to view all assignments). You can still view other available tabs. When finished, you can exit the program by clicking Home in the upper-right corner of the program or closing the browser window. After installing and open the SchoolTool Mobile App SchoolTool mobile app, users are asked for their SchoolTool credentials for the first time. The following fields are required: URL: The fully qualified URL provided by your region: User Name: This is the user name assigned to your account in SchoolTool. This may be an e-mail address instead of a user name, depending on the configuration of your region Password: This is the password used to log in to SchoolTool. Passwords are kept by SchoolTool and cannot be changed within the application If you need help, please contact (315) 781-0400 ext. Call 1010 or email the Phoenix Central School District schooltoolnotification@genevacsd.org schooltool as a Student Management system. Parents/guardians can securely access their child's information over the Internet. The information that can be viewed through this portal includes: your child's schedule, continued, discipline and grades. In addition, parents/parents will be able to email teachers through the portal. All parents/guardians with a valid email address in the Parent Accounts District must have been notified via email that a SchoolTool account has been created for you. He also received a temporary password in this email: Your username is your email address. With this information, you will be able to log in to SchoolTool. If you have not received an email from SchoolTool with this information, or if you have received your email address, please contact the main office at your child's school. Student Accounts Students are granted access to the system using phoenix CSD network user ID and login information. Mobile App The mobile app may ask you for a URL. URL: The Free SchoolTool mobile app allows parents and students to quickly and easily view information about their mobile devices. Download from the App Store or Google Play. Your username and password are the same as used on the Parent Portal website. All parents/guardians at South Glens Falls CSD have access to our SchoolTool Parent Portal. This online service will allows parents to view student information, such as emergency contact information, continuing, scorecard and assignment grades (for secondary students). Veli / Student Portal User Guide NEW USERS! Do you need to sign up for the Parent Portal? Click here to register for the Veli Portal If you are having trouble registering with the Veli Portal, please contact ParentPortal@sgfcsd.org by e-mail. Do you want to download the SchoolTool app for your phone? Parents can download the SchoolTool mobile app to easily see student information. Click on the appropriate icon to download it. Information you need: URL: schooltool9.neric.org/SchoolTool_SGFS/ Username: The email address of the account. Password: The password you use to log in to the school vehicle. If you don't want to enter this information every time you access the app, select sign in. What is the SchoolTool Veli Portal? A. The SchoolTool Parents Portal is a Web-based access portal that allows parents to view their children's education program and their son/daughter's information at school. Q. Who can access the SchoolTool Veli Portal? A. The SchoolTool Guardian Portal is accessible to parents of students in all classes and schools. Q. How do I access the SchoolTool Veli Portal? A. Click here to fill out the online registration form. Returning users must click here to visit the Parent Portal to log in. Q. Do I need special software to access the SchoolTool Veli Portal? A. No, you don't need special software to access the portal. Parents only need Internet access. Please note: SchoolTool seems to work best when used with internet explorer or safari browser. Q. What will I find after signing in? A. Through the SchoolTool Veli Portal, you can see scheduling information and ongoing information for all of your child's classes. For most classes in high school and middle school, you can see assignments and deadlines, as well as grades from previous studies. You will also be able to email teachers directly through the Parents Portal. Scorecards for all classes will be visible in the portal. Q. Can I see all the grades taken in assignments? A. South Glens Falls is currently phasing out full use of the Main Portal. The assignments listed in the Parent Portal may not reflect all assignments for the quarter. Please note that the notes reported on the portal are ongoing notes –only official notes are notes on the scorecard sent home at the end of each quarter. Q. What can I do if I see my child having a low grade on assignments? A. The best thing to do would be to contact your child's teacher to talk about your concerns. Q. When I was on the SchoolTool Veli Portal, I told a teacher Can I send it? A. Yes, I'm going to have to Yes. Email a teacher through the SchoolTool Veli Portal, just click on the teacher's name on the Program tab. An e-mail interface opens that allows you to send e-mail directly to the teacher. Q. Do I have children who attend more than one school in this area? Do I need separate SchoolTool Veli Portal accounts for each child? A. No. A parent can access the information of all their children with a SchoolTool account. For example, a parents who are students at Ballard, Oliver W. Winch Middle School and South Glens Falls High School can see all their children through a single account. Q. Who should I contact if I have questions about my child's records, as shown in the SchoolTool Veli Portal? A. If you have any questions about the information you see on the portal or your child's performance in general, please feel free to contact your teacher or school counselor. Q. My child wants their Parent Portal account. Can they apply? Students in grades A. 6-12 can access SchoolTool using school network entrances. They don't need to apply for a separate Parental Portal account. If they can't sign in, please ask them to contact their school's counselling office for help. Help.
