Ex13Clear All MissionsEX14Ranging Meeting clears the Order of the Foreign God 5 In order to receive the CCC award of the BBServant event you must complete all CCC event missions. Please note that the CCC event takes longer than the user to complete. Basic Step-by-Step: Step1Unlock Free quests at the end of CCC MissionsStep2Farm Events on free quests to progress through MissionsStep3Exchange Sakura Money for key items When ep4Use a key item to unlock new quests To do the same from Step1Tap to BB - Statistics - OverviewFul Missions for Progress through EventThere there is a 100 Mission in CCC Event Special. Progress through the event by completing missions to get full event items such as Gate Key and Items.WANTED Quests Appas Every time you progress through an event you will find a Wanted quest in each Note mission event. as opposed to a free mission note in WANTED quests there will be HP Overgauge. 『BB Slot』 occasionally appears when you start the battlein CCC Special Event 『BB Slot』 nogdia appears at the beginning of the battle. Different effects are applied randomly depending on the characters you get there. Click on Kiara (魔性菩薩) WalkthroughBrowse Free Mission Target quests There are 26 Servants that will provide you with 『Sakura Chip Drop UP』 bonus in CCC events. The servants who give you the No.2 Sakura Chip BonusServants that give you the No.1 Sakura Chip BonusIf you have universal servants suitable for agriculture such as Tamamo Cat, for example, it is a good idea to focus on their preparation before the CCC event. Event Bonus CE ListEquipping CCC Event Bonus Craft Essences will give you a special bonus in the event. We strongly recommend using them as you can get effects such as spawning more enemies or increasing the Drop Amount item. CCC Event Reward CEOne SummerEvent Bonus EffectIncrease Speed appearance of Type: Sakura enemies at 20*50%Foreboding ... Event Bonus EffectUnor increase the number of Sakura Chip per drop at 1*2Event Gacha CEConquering ... Event Bonus Effect Increase the speed of the appearance of Eater enemies by 20-50% Tsukimihara... Event Bonus Effect Boosting the Speed of Enemies Shapeshifter by 20-50%The CageEvent Bonus Effect Will increase the appearance of TYPE I enemies by 20-50% Enemy Spawn LimitAs MAX Enemy Spawn Rate is limited to 100%, even if you reach 200% effect, there will still be only a fixed number of enemies. Best of all, probably will be combining MAX Limit Break (50% of the effect) of CEs with a not completely marginal break (20% of the effect) CEs. Recommended combinations to achieve 100% Spawn RateYour CEFriend CETotal20% x420%100%20% x350%110%50%50%100% Summon Period04-23 07:00 - 05-15 20:59T PTap to Summon Simulator!
