When people ask me to name Ligonier's educational material they should use to help them grow; I say to them, You must begin with the Holiness of God. Literally thousands of people testified about the transformative encounter with God through the holiness of God. This classic can help you better understand the biblical picture of God's amazing holiness and why it so has grounds for God-centered, God-honored theology and Christian life. In the Holiness of God, R.K. Sproul demonstrates that meeting God's holy presence is a terrifying experience. Dr. Sproul argues that this struggle is nevertheless necessary because it is the only way to cure our tendency to believe in ourselves and our own righteousness for salvation. God's holiness is His defining characteristic. The holiness of God is a term used in the Bible to describe his kindness and his power. It is quite unique and absolutely all-encompassing, radiated from God as energy. In fact, God's holiness is so overwhelming that it can indeed be dangerous to approach. But it was teamwork! Tz zack Ertz TD and Brandon Graham's sack of Tom Brady sealed the win. Another record: THE NE Patriots logged more than 600 yards of offense and still lost the game. Tide Advertising may have been the best. Bud Light Dilley Dilley! And then, after the great victory, Philadelphia demonstrated its ability to tear up and destroy its city in celebration! How about the fact that sports fans! Ripped street lights overturned at least one car trashed van collapsed covering at the entrance to the Hotel Food Brawl at the store. If you've seen any of the videos, what have you noticed in the riots and food struggles? Most of the criminals were... WELL, LOOK, ALMOST ALL OF THEM WERE MEN! Ok Rich ... You prayed to them in the Super Bowl win now you have to pray to them in true masculinity! Speaking of our need for men to achieve real greatness!!!! Ok... Our current series is all about greatness: GREAT MEN GREATER GOD... and the subtitle speaks for itself: Knowing and experiencing God, which is FORGES Men differences. You see.. and that's crucial ... What causes American culture to disperse at the seams is that we do not hold as a culture of God's Bible and His Truth! His good moral code, based on the gospel, leads us to a better way of life!!!! So we are in a series where we explore deeper than God, which is - now the God you may want is not necessarily the God who is. Repeat: The God we may want is not necessarily the God that is. Accepting reality is an important part of sanity as well as maturity. Our series Memory Verse says something very important about God who: Slide up: Romans 1:20 For his invisible attributes, namely, His eternal power and divine nature were clearly perceived, with pores creating a world, in things that are made, so that they are without without It says: God is- there is God has attributes, perfection, unique characteristics-He is a personal, moral, and not invisible force field of some kind. God's attributes are invisible b/c He is the Spirit, but His invisible attributes/perfection always make a visible result in what we see around us every day in creation. The more we reflect on creation Paul speaks in Romans 1:20, the more we see the eternal power of God and many other His attributes. So... In this series we talked about: The very existence of God that He did not come to light, but is, because He is. God is an elusive causitive factor of everything we see that is good. Because of His Very Existence - He has no beginning, no end. Because He is self-presenting He has no needs, and so he is, because He is self-existing we have seen that He is necessarily almighty! El Shaddai He is omniscient - All knowing that he is omnipresent! Everywhere and available to His sons. Catch it: God has shown himself so frankly in creation that He thinks it is quite obvious that He exists!!! God believes that creation proves that it has a design and therefore a designer and contractor/builder/creator. We have no excuse ... Creating Screams Every Day There IS GOD... DEAL WITH HIM ... WORSHIP HIM! Live as he lives! Nwo... The total amount of these perfections/attributes of God that we talked about and others that we will talk about leads us to what many thinkers call the supreme attribute of God that kind of covers all the other attributes of God- That is: GOD HOLINESS-HOLINESS GOD... In the HOUSE: Holiness : The Hebrew word KUODESH Root the idea of Separation Man, place or thing, separately I want us to look at the two men who have experienced the Holiness of God, because to truly understand the Holiness of God, I think you should experience it .... Turn into The Bible Exodus 3:1-9 EXPERIENCING THE HOLINESS GOD Now in this passage we see the first use of the word HOLY in the Bible... Moses is not the first person to experience the Holiness of God... Adam and Eve were the first... But here we see how Moses faces God: Exodus 3:1-9 3 Now Moses held the herd of his father-in-law, Jethro, the priest of Midian, and he led his flock to the western side of the desert and came to Khoreb, the mountain of God. 2 And the angel of the Lord appeared to him in a fiery flame in the middle of the bush. He looked, and behold, the bush was burning, but it was not consumed. 3 And Moses said, I will turn away to see this great sight, why the bush is not burned. On Screen Exodus 3:4-5 4 When the Lord saw that he had turned away to see, God called him from the bush: Moses, Moses! And he said, Here I am.5 Then he said, Don't come. Take your sandals off your feet, for the place on which you stand holy he said, I am the God of your father, the God of Abraham, the God of Isaac and the God of Jacob. And Moses hid his face because he was afraid to look at God. 7 Then the Lord said, I have undoubtedly seen the suffering of my people, who are in Egypt and heard their cry from behind their masters. I know their suffering, 8, and I went down to deliver them from the hands of the Egyptians and bring them from this land to the good and wide land, the land flowing with milk and honey, to the place of canaanites, hittites, amorites, perizzites, Hivites, and Jebusites. 9 And behold, the cry of the people of Israel came to me, and I also saw the oppression with which the Egyptians oppress them. Here we can see and experience clear evidence : The omnipresence of God- He is everywhere. He never goes on vacation, so God sees slavery of the Israelites- He is there with them in the midst of their suffering. 16: 13- Hagar-You God Who Sees El Roy Omniscience- He Knows Everything! Love for God- He cares about the Israelites Loyalty of God- He has made a covenant with Israel, and he is going to keep it. God's omnipotence- He is going to free them, and He suspends his own laws of creation, creating fire to attract the attention of Moses, but the bush is not consumed. Only God can do it. By the way, God can talk, too. I hope you don't get surprised, but He can. And he's multilingual! In all this experience, God speaks to Moses... This is the Holy Land... and Moses certainly catches on to the real quick! It feels ... and feels and knows that something is going on. Moses is going through HOLINESS GOD! God's emptiness... Separation ... Different... God's Secret Is a Great Idea HOLINESS... something that is divided, and because the gap in division is so great between God and man, a man who is much, much, much smaller, infinitely smaller than God... is in fear of God's Jehov' Being... Holiness. NOTE: The Holiness of God produces in Moses: Fear and desire to hide your face ... there is a desire to escape, and yet a strange attraction to this God, who obviously cares about His people enough to call Moses to be a delivery man for them. Now here's a fascinating reality... There are many in the Bible that are called HOLY- separate: Holy Land holy Saturday Holy Place-Temple Holy Linen Coat- Priests Holy Ten Holy Bread Holy Bread Holy Bread Holy Seed Holy Testament Holy Testament Holy Testament Holy Testament Holy Testament Holy Testament Holy Nation-Israel Holy Anointing oil Holy Oil Holy Field Holy Water Holy Land Holy Holy Ark Holy Day Holy Day Holy Day Saints Saints So many saints or set apart people, places and things! Now catch this: All these people, places and things are holy because of one thing they have in common: the presence of God. If God is, or if God proclaims it, these people, places and things holy to Him makes them holy by his presence and his decree. God is the only one who is holy in Himself! Catch it: In the song of Moses that he composes and sings immediately after the promised EXODUS is completed, we find these words: WHO LIKE THEE AMONG GODS, O LORD? WHO, LIKE YOU, MAJESTIC IN HOLINESS, AMAZING IN PRAISE, TO WORK MIRACLES? Exodus 15:11 Who looks like God in Holiness? No one, no thing, no place. Only God is holy, completely unique, fully installed part, perfectly perfect, utterly pure, utterly superb. Moses experienced the Holiness of God in a burning bush, and he stayed with him... After exodus... God's holiness pours out of him in praise! Now let me give another example of a man who EXPERIENCED HOLINESS GOD: His name is Isaiah, and he was a top class of blood in Israel for about 600 years before Jesus was born: Isaiah 6:1-8 6 In the year when King Uzziah died I saw the Lord sitting on a throne, tall and raised; and the train of his robe filled the temple. 2 There was a seraphim above him. Each had six wings: with two he covered his face, and with two he closed his legs, and with two he flew. 3 And one called to the other and said, Holy, holy, holy, the Lord of the masters; the whole earth is full of his glory! And the foundation of the rapids was shaking from the voice of the caller, and the house was filled with smoke. 5 And I said, Woe is me! For I am lost; for I am a man of impure lips, and I live among the people of impure lips; for my eyes have seen the king, lord masters! Here we see that Isaiah has a similar answer to Moses when he sees this vision of God: Views of God's Majesty as Sovereign, Almighty, All Knowing who sits on his royal throne of administration all he has created. Uzzia was a very good king, but how he was dead and there was political chaos among God's people. But God is the king! The Royal Majesty of God is testified in His Royal Rob, who fills the temple AS WELL AS The Angels called Seraphim, who cover their feet to hide their being... and these Seraphim calls HOLY, HOLY, HOLY! This is called TRISAGION... Jewish way to make a point ... Be super resolute ... Repetition. God IS REALLY separated from man and therefore also really separated from all sins. God is the Saint, and so he is righteous in all his ways. No other attribute of God is ever put in the way that holiness is put. You will never find love, love, love, or anger, anger, anger, anger, talking about God, or justice, justice, justice. Only: Saint, saint, saint. When the foundations of the temple shake, Isaiah knows that He is made. He's a unclean man. b/ c he is a man of impure heart ... He is a sinner by nature and choice... He saw the vision of the Holy God... A God who is completely different from man ... perfectly perfect

morally, which shines with Shekin's glory. Isaiah Gora - It's Me - Curse Me Yiddish OY VAY! How do you react to the Holiness of God!!!!? RESPONDING TO THE SANCTITY OF GOD, HOW DOES MAN REACT TO THE SANCTITY OF GOD!!!! I want you to see in Moses and Isaiah that the Holiness of God is when it is truly tested: The Holiness of God Radically Destroys Man! The true vision of God shows man that he is in the presence of God: truly small, and utterly sinful. In the outburst of recognition, Isaiah saw his sinfulness and bowed and knew that he deserved to be cursed and judged quickly for his sinfulness. Truth: If you have never trembled in the presence of God, you have never been in the presence of God! Fear... the tendency to run because of judgment deserves to get. We are so often afraid of people, but we must fear God more! Thrill... realizing that there is no one else. There is an attractive miracle for God ... Saint, Saint, Saint! This should lead to worship... but at this moment Isaiah is too afraid to worship God. He sees only his evil and God's justice descends upon him. There is also an irresistible realization in the holiness of God that we must be like Him! In fact it is directly taught in the Bible! Leviticus 11:44-45 (ESV) 44 For I am Your God. Dedicate yourself so, and be holy because I am a saint. You don't have to desecrate yourself with any swarming thing that creeps on the ground. 45 For I am the Lord who brought you out of the land of Egypt to be your God. Therefore, you will be holy, for I am holy. But we can't be like God! We can't be good enough long enough! We cannot make ourselves absolutely holy or perfectly righteous! We have our idols, addictions, temperamental tendencies that are so hard to shake! In the Holiness of God we see the Law of God, the perfection of God and the Law of God shows us our need for something more powerful than ourselves to get right with God! And that is why we must go back to Isaiah 6: 6-8: Saying that he deserves a curse, it happens: 6 Then one of the seraphim came to me, having in his hand a burning charcoal, which he took with forceps from the altar. 7 And he touched my mouth and said, Here, it has touched your lips; your guilt is taken away, and your sin is redemption. Think to me: where did the burning coal come from? What altar is the altar? Altar of sacrifice. What did animal sacrifice ot predict? Donation of Jesus Christ on the cross. What happened when Isaiah touched the coal from the altar? It has been cleaned completely ... Forgiven... Decorated... Sin has disappeared... The wine was taken away... Ihs was sluggish for! It's done, it's over! There's no record of the wrong. You are not the enemy of God! What happens when a person accepts Jesus Christ as His Savior and Lord? The Romans 3-justified by faith declared innocent by the Romans 5:1-peace with God of the Romans 8:1- no condemnation of Jeremiah 31:31- The law put on our hearts!!!!!!!!!!!!!! This is the grace and good milestone of the Gospel of Jesus Christ! Now that Isaiah is purified with the foreshadowing of the gospel of Jesus Christ ... we hear it: 8 And I heard the voice of the Lord saying, Who will I send, and who will follow us? Send me. Ultimately, the Holiness of God demanded the sacrifice of Jesus on our behalf, and when the Wrath of God pours over his Son, and we believe in His Son, then, like Isaiah, we are completely forgiven and called. When we humans stand next to the only Holy God and drink in full sacrifice of God in Christ, and that our guilt has been taken away in Jesus Christ, we become people who are no longer afraid of God's wrath, but we become taken by his BEAUTY, Glory, and we allow His holiness to immerse themselves in us. We wish it... and then we follow him. Ultimately, people who become great are obsessed with infinitely superior to the greatness and holiness of God. They are so struck by the greatness of God that they are free. Free to be like him. It is free to promote His cause to complete indifference from ourselves. YOU TALK ABOUT IT AT YOUR DESKS! Basics!
