I'm finally catching santa claus tonight lyrics

I've been thinking about Christmas and those gifts under the tree. I'm sure each one is special, but no gift interests me, but there's only one thing on my list that you can't buy in any store It's wrapped in red and white and it's all I'm asking for, oh, oh, oh, oh, I just want to see Santa Claus tonight To hear him pull out when his s toy takes a flight of merry Christmas to everyone and all the good nights I want to see Santa Claus tonight. yes, yes, don't give me any story about a snowman with eyes made of coal, no, no, no, no, I don't want a cool Jack Frost, he doesn't have the happy soul I've been waiting for by the fireplace where I can hear his sling outside and I say, Hi, he'll say, Ho, ho, how he's taking the chimney ride, I just want to see Santa Claus so I can hear him pull out when I pull him out When I pull it out, when his sleigh flies Merry Christmas to everyone and for all good night I just want to see Santa Claus tonight, yes, yes Then we'll go for a sleigh ride and reindeer will lead us, I'll sit right by his side I'll take all night, I just want to see, I just want to see Santa Claus tonight so I can hear him pull out when his sleigh flies Merry Christmas to everyone and all the good night I want to see. I just want to see Santa Claus tonight looking for reindeer to take the Merry Christmas flight to everyone and for all the good night I just want to see Santa Claus tonight Santa Claus.
