[ShowHide] Table of Contents Has long been a popular sport and loved by millions of people around the world, especially in the US. They hold competitions in big stadiums, sometimes clashes between two teams on the street and now you can Sit on your couch to play a basketball game with NBA 2K20. GameplayStart building your career by creating a club and hiring with the top top After that, look for matches against anonymous players, take the win further. NBA 2K20 holds large-scale competitions. You will start in qualifying, defeating each opponent in turn and heading to the championship. However, it is not a straight and easy path. There are many difficulties that you need to overcome. On the journey to glory, you'll face potential basketball teams and have many years of experience. So try to control your squad on the field, from defense (Pointguard, Shipowner) to attack (Power Forward, Center, Small Forward). The system provides a control panel at the bottom of the screen. You just need to tap the corresponding buttons to use them. For many, it has become so familiar because this design is used in most other RPG games or basketball simulations. You can move in different directions with D-Pad, steal the ball, support, pass the ball back to your teammates or adjust the angle and strength to throw the ball into the basket. For each score, the system will score points for your team. After all, the winner will receive a decent bonus character card, with a ticket to enter the next round. Many famous players You love basketball and idols like Stephen Curry, James Harden, LeBron Raymone James or Michael Jordan. NBA 2K20 has all the players you can meet. You not only have the opportunity to play and watch them perform top-notthed basketball games, but also have the opportunity to edit their appearance. To do this, click the Advanced button in the upper-right corner of the character. After that, a custom panel will appear with details about eyebrows, skin color, beard, tattoos. However, to receive these characters, you have to pay with VC. This is the only currency in the game, and you can earn it through activities such as events, missions, winning tournaments or receiving daily login rewards. Many modes to tryThe championship is quite long and includes many teams around the world. But sometimes, you want a faster game and the rules change a little, choose other modes to update your experience. In addition to what is already in NBA 2K19, the 2K developer updates and adds a number of new modes. These are MyCAREER STORY, STORIES, RUN THE STREETS MODE and MULTIPLAYER. I'm not going to go into their analysis because screwing up isn't fun. You can try and get surprises by downloading this game! In addition, you'll manage your basketball team in more detail with the ASSOCIATION feature. There is also a list of new recruits trying to join your squad to receive training. Make sure they really have potential through competitions with other teams. So you can make the best decision. The most realistic graphics of the NBA/ NBA 2K20 simulation game are designed in a 3D. It is a standard of a sports simulation game. Although it is a mobile, mobile version, you will have to suspect that the developer took it from the PC version, edited it and put it on Google Play! Fortunately, 2K doesn't work that way. Its graphics are meticulously made and optimized, so the operation of each player in the game is very smooth. However, detailed graphics and dozens of features make the game's ability quite large. This requires that you have a large storage space, approximately 3GB. Connecting with other playersJoso alone is boring. Your NBA game also doesn't support connection. Don't worry, download NBA 2K20 for a better experience. You can compete with your friends via Bluetooth connection or wireless LAN. With good data transfer speeds and low latency, your basketball game will be more realistic than ever.
