Hay Day is a free farming game, developed by Supercell. It is available on Android as well as IOS. It's a really free game, and you don't even have to pay anything to progress. However, if you want to progress faster, you may want to buy diamonds and coins. Everyone likes agriculture, but not everyone can be a farmer, as it involves extensive hard work. We also want to get closer to rural farming habits. Therefore, Hay Day mod apk is the best farming game for you. It's about managing your farm resources and time, which will help in creating a specific result. It has over five million five million stars on Google play. A simulation game that pleases your eyes, and keeps your inner farming giddy for hours. Once you start playing the game, you won't be able to stop yourself. This is the number one farming game in 122 countries. You are the care take care of the farm. Your work involves cultivating and trading goods with your neighbors and friends. This is a special place of cultivation, where the crop never dies, although rain is absent. Be a farmer with quirky animals and have fun with making and trading many goods. We recommend that you try using slither.io APK/iOS mod. This game is a gem if you are a fan of a simulation game. It is filled with small details, which will help you get involved in the first place. It has a charming aesthetic as pigs become so fatty that they can not even walk or sheep full of wool. You will love this game better than any other farming game. Hay Day gameplay begins with the player's uncle, who is unable to take care of the farm. Therefore, he appoints you and gives you responsibility for the care and development of his farm. It begins with a tutorial, given by a scarecrow. The instructions are simple. It just shows how to buy a chicken coop, how to plow, and how to grow crops. As the game progresses, you will be introduced to many advanced parts of the machine, which are easy to handle. You can buy more buildings, pets, decorate items by selling and trading your crops and products. In addition, by performing these activities, you earn experience points that help you in leveling your game. There are many characters involved in the game, which will help you in your farming activities. From level one, you are introduced to a fellow farmer Greg. He came to his farm, asking for different items. In addition, you can buy expensive tools and products from this roadside store at a low price. There are other characters who regularly visit your farm asking for trees and products. Download Hay Day MOD IOS Download Hay Day MOD IOS Besides, a table displays a list of orders to complete. Once you complete the order, the truck will load itself with the products and deliver them. It will help you earn more money and experience points. You can even expand your farm as game game You can cut down the trees and expand your farm. You can also make your farm more modernized by introducing different machines. You can bake, produce clothes, pies, sugar, popcorn, burgers, pastries, and more. You must also buy machines, which make food for your animals. They must be well fed to produce eggs, pork, milk, wool, etc. After a few levels, you'll also unlock neighborhoods where they can support each other. You can help other neighbors buy their fulfilled and requested, and you can also request the necessary items. Additionally, you must upgrade your memory from time to time. This way, you can store more crops and products as you progress in the game. Every action you take, whether you grow new crops, produce new products, chop down trees, or install a new computer, it will earn you experience points. It is also known as XP point. To level up, you need to complete a specific goal of collecting XP points. You can even decorate your farm with items, which you can buy from the store. There is also a newspaper where you can advertise your goods and sell them in a roadside store. You can also buy goods from someone else's roadside shop in this newspaper. You can also add friends on Facebook and trade with them or visit their farm. As your progress in the game, you will also be introduced to cargo ships. You can download goods and trade at sea. This game covers every aspect of successful farming. The Hay Day game feature is the best farming simulation game you can ever find. There is so much to do that you will never get bored. It is a free game where you never have to pay and enjoy the game as long as you want. Grow crops, install machinery, trade, expand your farm, and invite your friends to this game.
